PARODY. NOT TO BE TAKEN SERIOUSLY. NO SUCH PRODUCT EXISTS.

The waterproof Pisslips WetScreen lets me watch the news without losing my TV to urine and spittle. A backlit Yellow Dog Republican clock counts the days until January 20, 2005. And stereo sound controls let me balance even the most uneven reporting. Even when the world pisses me off, there's something to piss on. I've got to admit, it's getting wetter. ## ASSHOLE OF THE MONTH

**L**ying, manipulative cunts are nothing new. The earliest recorded history of man documents his first knee to the groin dealt by female craftiness, a black art that has been refined by the distaff species ever since.

At first wince, Ellen Fein doesn't look like much of a woman; her troll face would draw snickers at a drag-queen convention. Scratch the manly facade, though, and Fein, a time-ravaged 43, is all cunt. Fein was first recognized for her twat-based con-ning on this page in January 1997, along with Sherrie Schneider, her partner in writing *The Rules: Time-tested Secrets for Capturing the Heart of Mr. Right*. Since then, Fein has sunk to greater depths of fraudulence, floating atop a wave of snatch sophistry to become HUSTLER's Asshole of the Month for August 2001.

Published in 1995, *The Rules* tutors desperate-to-marry gash in bait-and-switch machinations to lure hapless schlubs into a lifetime of betrothed misery. Preaching hard-to-get tactics, hard-to-take Fein and Schneider break their stratagem into 35 bits of cud: Don't Talk to a Man First; Don't Call Him and Rarely Return His Phone Calls; Always End the Date First; Don't Meet Him Halfway or Go Dutch With Him on a Date. To these maxims, the authoresses add, "stay emotionally cool no matter how hot the sex gets" and "never show that getting married is foremost on your mind."

Wooing suitors by acting the aloof, manipulative, leeching, dead-fuck shrew is counterlogical at best. Wholly unqualified as relationship counselors, the pair, in lieu of cre-

ELLEN FEIN

dentials, extended their sharpened claws and flashed wedding bands supposedly finagled through Rules-like treachery. "What we are promising you," the bitches bleated, "is 'happily ever after.'"

*The Rules* sold more than 2 million copies; a legion of "Rules Girls" dropped \$50 each to attend seminars and glean such happy-union tidbits as, "You've got to treat him a little bit like dirt." Perhaps high on her own corrosive snatch fumes, Fein elevated herself to messiah status.

"[W]e're saving people's lives here," mewled Fein, wringing snake oil from her pustulant glands. "The Rules is not a hobby, but a religion."

Fein seems to have taken her vocational cues from the Reverends Jones and Bakker. Further Rules

include Do the Rules Even When Your Friends and Parents Think You're Nuts, and Don't Discuss the Rules With Your Therapist. Though Fein and Schneider are "not gold diggers," the two *have* spun their relationship-advice gig into a cottage industry that shills phone consultations at \$250 per half-hour, a *Rules II* sequel, audiotapes, videotapes and The Rules Lips lipstick, presumably perfumed to mask the stench of shit-breath deception.

A shrill harpy to her cancerous core, Fein bends Rule 35, Be Easy to Live With, when faced with detractors. Fielding criticism from a fellow author on the *Oprah Winfrey Show* in 1996, Yellin' Ellen cited her competitor's earlier divorce, snapping, "We are on our first marriages, and

you're on your second."

"A Rules marriage," the pair proclaims, "is forever." Unlike the Rules, *forever* is a malleable concept in Fein's scheming eyes. On January 3, 2000, Fein filed for divorce from her husband of 16 years, a pharmacist who, though surrounded by powerful drugs, was apparently unable to numb the pain of marriage to an ice-blooded jackal. Ellen cited "abandonment"; maybe hubby was just playing hard-to-get.

Having preached deception in courtship and hornswoggled her readership, Fein, true to form, waited a year to inform her publisher that her marriage had tanked.

Catching foul wind in February 2001, *New York* solicited comment from Fein, who dripped, "there are no papers being filed," a lie that was quickly contradicted by Fein's attorney. Gilding her reluctant truthfulness, Fein claimed she had hoped to salvage her marriage, a seeming infraction of Rule 18, Don't Expect a Man to Change.

Could Fein have been hoping not to queer her latest book deal, inked just three months before she filed divorce papers? Fein withheld her bombshell until the third *Rules* installment was readied for print. Its title? *The Rules for Marriage: Time-tested Secrets for Making Your Marriage Work*. Among the new tome's edicts: Divorce With Dignity.

Fein is as divorced from dignity as she is from her former spouse, but her vow to love, honor and obey duplicity remains intact. There is one ring from which Ellen Fein will never detach: the sphincter loop of a suppurating Asshole.

## FARTS IN THE WIND

**Edward Mezvinsky:** A former Iowa congressman, Mezvinsky was indicted on 56 counts of fraud and related offenses in March. In response, Mez is suing pharmaceutical company Roche Holding AG, Presbyterian Medical Center in Philadelphia, Babis Pharmacy and his own physician. According to the

suit, "As a result of the psychiatric syndrome caused by his long-term use of [antimalaria drug] Lariam, [Mezvinsky] invested rashly in bad investments," prompting his financial ruin and subsequent charges of fraudulence. Mezvinsky is undoubtedly sick, with a terminal case of Assholitis.

**Monica Lewinsky:** Lewinsky recently gave a speech at Manhattan PR firm Weber Shandwick, during which, attendees say, she equated her blowjob-induced plight to the horrors of the holocaust. Lewinsky, a Jew, should know better than to compare death-camp masses to a fattened Asshole.

# HUSTLER Hollywood Brings Big 'O' to Ohio

## Shop Till You Pop

Buckeye State denizens rejoiced in March as HUSTLER Hollywood, the premier emporium of erotic delights, opened a new carnal superstore in Monroe, Ohio, just outside of Cincinnati. Fans thronged the streets to hail HUSTLER founder Larry Flynt, his brother Jimmy and a bevy of HUSTLER hotties for the inaugural celebration. At last, the worthy fuckers of Ohio are free to shop for all their adult needs in a no-guilt, fun environment. Perhaps the state should consider changing its recently debated motto to, "With double-ended, battery-operated dil-

dos, all things are possible." If Jesus ever comes back to Monroe, you can be sure he'll drop a few bucks at the new HUSTLER Hollywood of Ohio, 1038 Lebanon Street, Monroe, OH 45050.

Men don't always hate shopping.

Casual atmosphere, serious fun: Jimmy Flynt welcomes you to paradise.

One of these Limburger lovers cut the cheese back in 1948, causing a rift that lingers to this day. Who's to blame? The truth remains shrouded in mystery, though many suspect that George Gamow's publication of the big-bang theory later that year was no coincidence.

Olli M. of Sierra Madre, California, pockets \$150 for this antique emission. Blast ye olde smut to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

From HUSTLER Honey to *Playboy* Bunny

## Hefner's Glossy Seconds

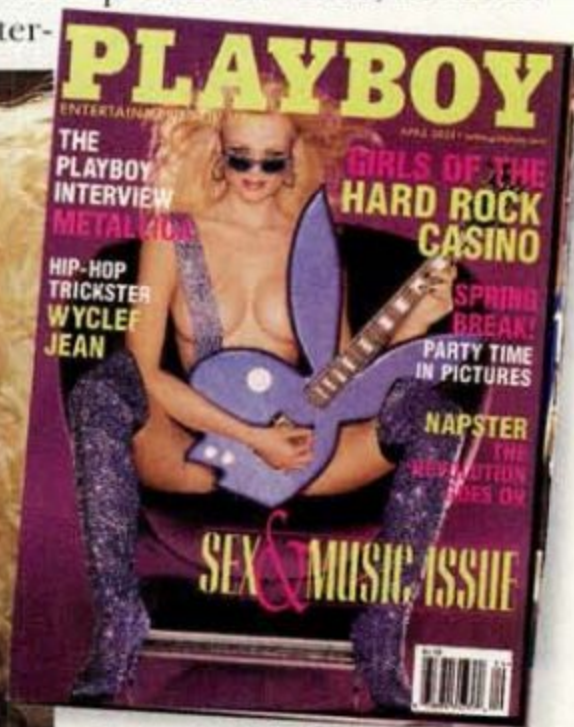

In 1998, an 18-year-old sex-pot steamed up HUSTLER Photographer Matti Klatt's lens with a shaved, appetizing, pierced pussy that she couldn't stop fondling. The photo-set was *Pamela: Pleasure Seekers*

*Anonymous*, the girl was HUSTLER's Honey for January 1999, and everybody blew a load.

Flash-forward to the present. *Playboy's* April 2001 centerfold model is another plas-

tic, anatomically incorrect Bunny who seemingly gives more attention to her over-styled hair than her partially obscured crotch. Look closely, though, and you'll see the arid remains of a formerly swelter-

ing snatch. Most of the dull prisses in Hefner's repressed rag appear to be genetically encoded for frigidity; here's one who proves that Bunny prudes are made, not born.

*Playboy's* Katie Lohmann—she used to be hot.

Katie Lohmann—you know her as Pamela—spreads for HUSTLER in better, wetter days.

## A New Mrs. Shatner Takes the Plunge

## America's Bravest Bride

Heartsick space oddity William Shatner has opted to drown his sorrows in pussy juice since his late wife, Nerine Kidd, settled at the bottom of their pool in 1999. At a low-key February ceremony in the backwater village of Lebanon, Indiana, Shatner married 42-year-old Elizabeth Martin.

The cagey newlyweds have avoided the public eye, but HUSTLER suspects that the new bride, like Bill's previous spouses, is heavier than water. For Elizabeth's sake, let's hope the honeymoon was not at a seaside resort, or Niagara Falls. HUSTLER congratulates the happy couple and envisions many years of carnal bliss for them—assuming the missus takes a few simple precautions.

*Star Dunk: The Next Generation*

## A Sex Toy Too Hot for the HUSTLER Catalog

## The Saturn V Pocket Rocket

For every sexual accessory offered in the HUSTLER Catalog, there are dozens of also-rans that didn't meet the Flynt standard for safe, reliable thrills. For instance,

Bits & Pieces' research and development arm teamed with NASA to create a vibrating egg that delivered a staggering 95,000 pounds of thrust. We

thought that customers might enjoy the sensation, but the initial trial subjects became stuck in a low orbit and were unavailable for further debriefing.

Order the HUSTLER Catalog at (877) 325-6464, and we promise not to sell you the item shown.

## HUSTLER Club Penetrates the Big Easy

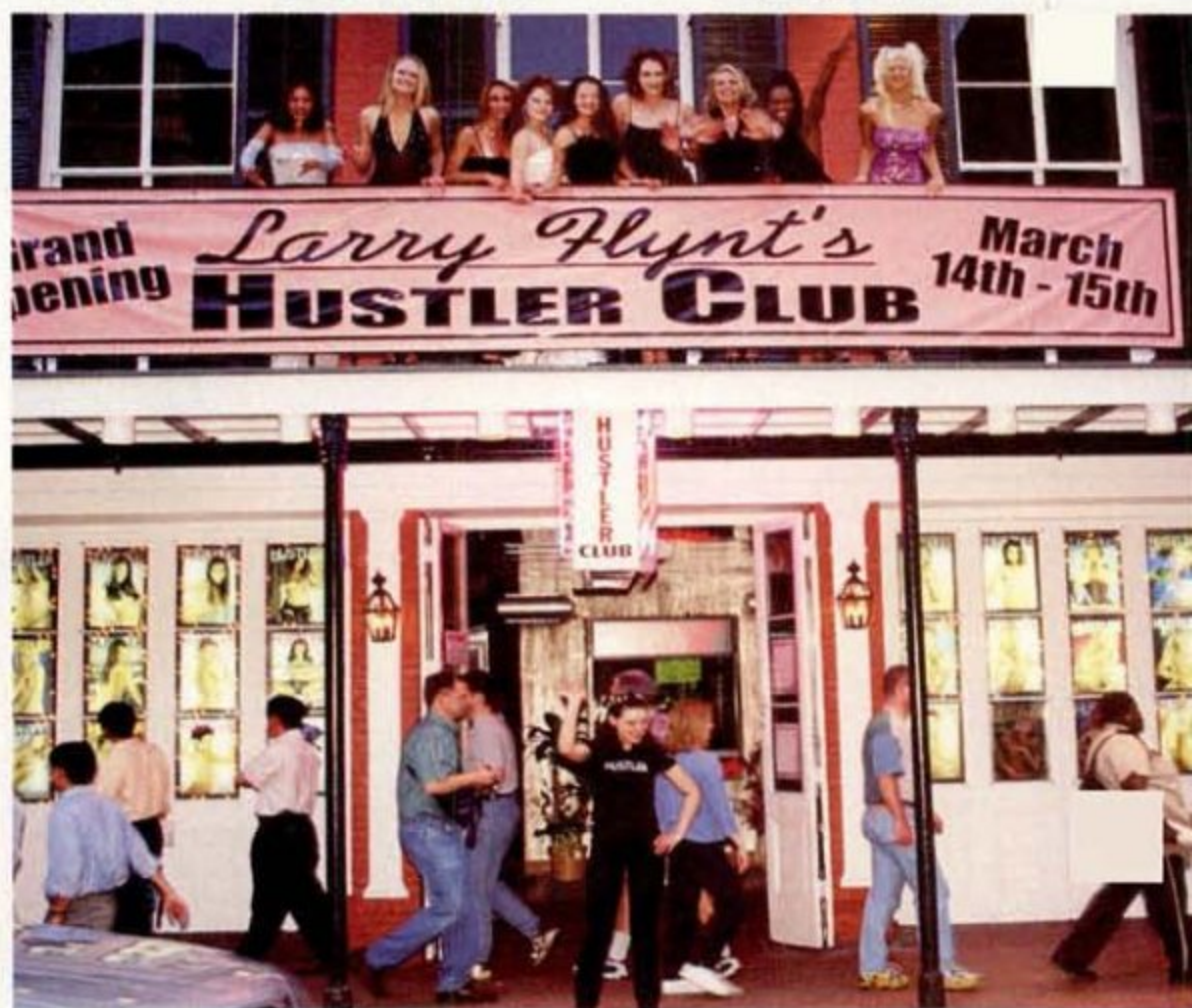

# Mardi Gras in the Raw

With the mid-March grand opening of Larry Flynt's HUSTLER Club in New Orleans, Bourbon Street downed a much-needed shot of class. Situated in the heart of the historic French Quarter, HUSTLER's newest gentlemen's club is a welcome respite from the never-ending, drunken street party. "On Bourbon Street, it's Mardi Gras every night of the week," enthuses Vince Crisp, a Flynt Art Director who contributed to the club's design. "Our VIP room upstairs is so impressive; visitors gasp when they see it." Or come; the booths on the second floor provide the ultimate lap-dancing privacy. VIP guests can also join the Bourbon Street festivities by

stepping onto the balcony and tossing Mardi Gras beads to the cheering throng below. Bring the wife for a drink and sit at one of the many intimate and personal dance stages. Enjoy an elegant night on the town, N'awlins style, at Larry Flynt's HUSTLER Club, 225 Bourbon Street, New Orleans, LA 70130.

## Tally Whacker

This month's HUSTLER Honey is my all-time favorite (*Is Tally in Trouble?*, June 2001). I love her sultry facial expression and the way she squeezes her ample breasts together. Best of all is the centerfold; the way Tally hooks her fingers in her hole and pries her labes open is incredibly hot. Bring back this awesome piece of ass in a boy/girl layout so I can see her fucked silly.

—S. J.  
Shreveport, Louisiana

## Diamond Dog

Diamond and Judy have me all hot and bothered (*Diamond, Judy and Tom: The Gargling Gourmets*, May 2001 HUSTLER). Every time I look at those stunning cunts, I can barely contain myself. Man, do I wish I could have been Tom on the day of that photo-shoot. I'd love to know what it feels like to slide my cock into both of their sweet pussies. Your layouts keep getting better and better.

—R. G.  
Broad Brook, Connecticut

## Pussy for Hire?

Are those dykes Sabrina and Aelita (*Sabrina and Aelita: Journey to Itchy Clam*, June 2001 HUSTLER) available for bachelor parties? I'm not engaged or anything, but I'd definitely walk the plank for an evening of lap dances from those hot twats. The sinister look on Aelita's face in the last shot kills me. If I was stranded on a desert island and could have only one nasty pic, that would be it.

—P. D.  
via Internet

## Grease Monkeys Dig Beaver

I am writing on behalf of all my co-workers at the neighborhood garage. We read your magazine every month

and pick which *Beaver Hunt* girl we think is the best. In the April 2001 issue, we all chose the same babe: Shelly from Pittsburgh, Pennsylvania. All the fellas here would like to see more of her hot snatch; so make that eight votes for the local girl.

—K. L.  
Pittsburgh, Pennsylvania

## Enter the Hard-on

I don't know if you follow foreign films, but I just saw *Crouching Tiger, Hidden Dragon*. The young actress, Zhang Ziyi, who sorta plays the villain, is hot, young, tight and only 21 years old. She's perfect for the "Million Dollar Muff" contest. Heck, you might even be able to haggle her down. I hear Asians are into dickering.

—J. L.  
Grafton, Massachusetts

Of course we're into foreign films. The HUSTLER staff loves European porn,

Godzilla movies and Mexican wrestling pictures. As for *Crouching Tiger, Hidden Dragon*, turn to page 41 for a very preasant surprise.

## Alisha's Ass

The anal-penetration shots in HUSTLER are awesome. Can I suggest a shot of Alisha Klass with her own fist up her ass? Keep up the good work.

—M. S.  
Denver, Colorado

We'll take your suggestion under advisement, M. S. In the meantime, check out Alisha: *Busy Body* from the October 1999 HUSTLER, in which the lovely Ms. Klass comes pretty damn close to fulfilling your request. Call (323) 651-2348 to order a copy.

## A Message to Judy

When I ripped my May 2001 HUSTLER out of the black, plastic newsstand bag, I almost passed out from the deluge of blood rushing into my cock. Those two dirty blondes (*Diamond, Judy and Tom: The Gargling Gourmets*) are amazing. I don't think that I've ever seen two more gorgeous covergirls. The chick on the left is a knockout with her waist-length hair, bright blue eyes, shining lips and

## Ode to a Greasy Turd

*I was reading an issue of HUSTLER and saw that you have a little section called "Graffilthy" that prints dirty poems. I hope you like mine: Here I sit, oh brokenhearted / Tried to shit, but only farted. / If I stay and try to shit / I might be an idiot.*

—J. G.

Covina, California

What the fuck, J. G.? That dusty rhyme is older than shit. Besides, you didn't even quote it properly. There's no "might be" about it—you are an idiot. HUSTLER pays good money for fresh, original bathroom-wall poetry. Don't bother sending old crap; we're just gonna flush it.

## Raised on Raunch

*In March of 1988 I purchased my first HUSTLER. Angela Baron was the covergirl. I fell in love with her at first sight. I hung her centerfold in my room and hid the issue in a secret spot in the barn. Since then, I have built quite an extensive library of porn magazines and videos. I want to thank you for giving me a chance to grow up with HUSTLER, and I hope to pass the tradition down to my son. One more thing: I love that you are finally showing penetration, but when can we expect some anal action?*

—F. T.

Towanda, Pennsylvania

Wake up and smell the sphincters, F. T., this very issue features ass-reaming. Check out Sabrina and Her Dirty Dick: How to Stuff a Wild Browneye. One more thing: When your son's old enough for HUSTLER, be sure to teach him that dirty magazines go under the mattress, not in the hayloft. America's Magazine and proximity to farm animals are a volatile combination.

## Nice Guy or Nudnick?

*I love your magazine and the women in it. I can't help but think that I have something to offer your models and the women readers of HUSTLER. Would these girls like to meet a guy who knows how to touch, who has a quiet kind of affection? I'm laid-back and at ease, and I know what it takes to give someone peace of mind. Please send this on to anyone who would be interested.*

—A. V.

Aitlein, Minnesota

Sorry, A. V., our girls prefer hard-drinking, rough-fucking dudes who'd rather snag

a piss, a smoke and a beer after screwing than snuggle.

As fellow lovers of freedom, C. L., we reserve the right to call bullshit where we see it, and we refuse to be pigeonholed into your tired, conservative-vs.-liberal circle-jerk. HUSTLER's politics defies classification and always aims for the groin.

## Hard Money

*It has come to my attention that Jessie Wynn, estranged wife of Congressman Albert Wynn, received the sum of \$1 million to appear in HUSTLER (Dogged, Dumped and Biting Back, February 2001). According to your article, Jessie Wynn could not get anyone from the press to pay attention to her until she became the chairwoman of John Kimble's Congressional campaign. I believe that HUSTLER should award John Kimble that same amount of money, since Jessie just rode on his coattails. Thank you very much for your prompt attention to this matter.* —B. S.

HUSTLER didn't pay Jessie Wynn, and we sure as hell aren't giving John Kimble a million bucks. Tell him to go begging at Playboy's door. We hear their boss is pretty senile.

## Bus-Stop Hussy

Riding a bus from Atlanta, Georgia, to Phoenix, Arizona, is goddamned exhausting, but nothing refreshes the weary traveler like a mid-haul fuck. The next time you find yourself at a bus stop in the middle of Butt Hell, Texas, at two in the morning, don't be put off by the stale piss stench and sticky orange seats. Take a moment to observe your surroundings. You might find a redheaded punk fox on her way to Chicago and horny for a fling. Sounds far-fetched, maybe, but it happened to me.

My bus stopped in some godforsaken hole outside of El Paso. I was stuck there for two hours; so I figured I'd have a smoke and stretch my legs. The place was a real shitheap. A gnarled bum snored in his own vomit at the front entrance while a toothless hag beat the vending machine with the skeletal remains of an umbrella. Everything stunk. I needed to piss, but figured I'd be better off leaking outside than braving the restrooms. Just as I turned to go, a flash of vibrant color caught my eye.

Leaning against a bulletin board covered with missing-person flyers was a short-haired redhead. A long, brown cig dangled from her puffy, cranberry-colored lips. She wore a studded denim jacket scrawled with anarchy signs. Her tits were plump and firm under a thin, wispy Christian Death T-shirt. Punk girls always look kind of mean, but I wasn't scared of this one. I swaggered toward her and lit a smoke.

"Do people always tell you that you look like Shirley Manson, only way hotter?" I asked, wasting no time. The girl snorted and rolled her eyes, but I could tell she was eating the flattery up.

"Dunno," she shrugged, fighting to suppress a crooked smile. "Garbage sucks anyway. I think I look more like Exene, if she had big lips."

"And huge tits and no ugly stick," I added. The babe liked that one. Her snorting laugh was goofy, like Chrissy's on *Three's Company*. I introduced myself.

"My name's Glen."

"Mine's Dew," she said.

"Yeah? Like the soda?"

"Like a spring morning," she sighed impatiently. "Hippie parents. Want to go

outside? It stinks like ass cheese in here."

I followed Dew around the back of the building to a bench with a romantic view of a Dumpster. Dew sat down; her plaid skirt inched up and exposed her smooth, white thighs. My cock stirred.

"You know, you kinda look like Nick Cave," Dew remarked, obviously flirting.

"Is that right?" I put my arm around the little rocker and pulled her close. She did not protest. Her legs fell slightly open. I couldn't contain my boner. Dew noticed.

"I feel like I've been riding a piss bus forever," she sighed, shifting so that her breasts poked out of her jacket. "I'm headed for Chicago, all the way from Orlando. I'm going to be a singer in a band."

"That's nice," I remarked, sliding my hand under her shirt and onto one of her tits, rubbing the eraser-sized nipple with my thumb. Dew's hand disappeared under her skirt. Her arm moved rhythmically and a flush dark-

ened her cheeks.

"The band's called Kitty Crunch," she squeaked. "We're better than the Go-Gos. Be sure and look out for our record."

"Of course," I huffed, sliding to the ground and kneeling at her crotch. I lifted her skirt and watched her short, glitter-blue fingernails flutter in her glistening, hairless puss. Nudging my head into her thighs, I buried my nose in her mound and licked her wet slot. Dew smelled great; she wasn't funky like most of those scabby punk chicks. She spread her soft, clean labes with her fingers and pushed her conch hard against my mouth. I burrowed my tongue as far as it would reach into her hole and sucked her fat clit.

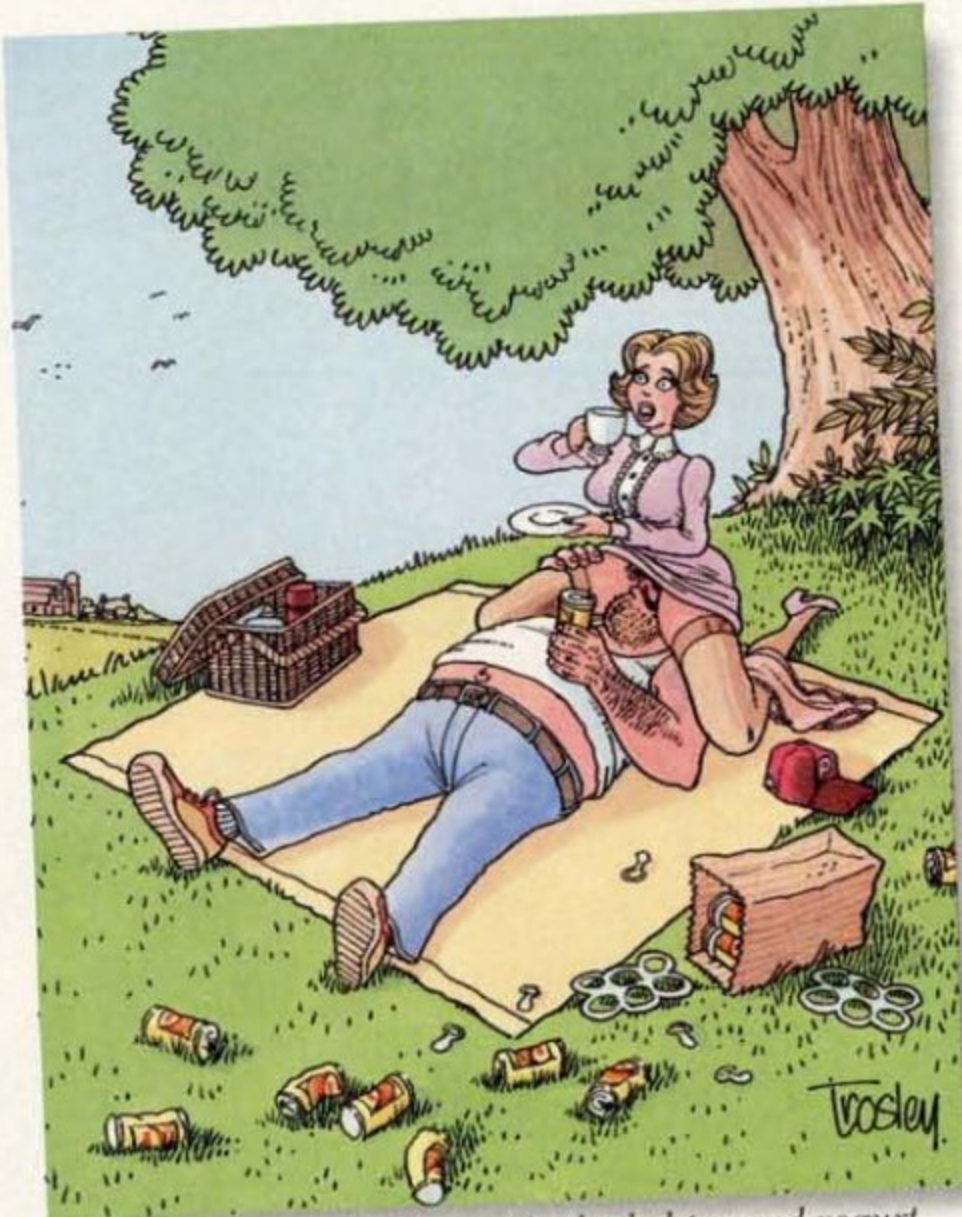

"Whip your dick out," Dew panted, licking her swollen lips. I frantically unbuckled my trousers and jacked my raging wood in her (continued on page 40)

**Snoop Dogg's Doggystyle:** Mr. Marcus taps Jade's ass.

**Snoop Dogg's Doggystyle:** "Where my 'hos at?"

**Snoop Dogg's Doggystyle:** "Bitch, I'm trying to play Tony Hawk."

### **Snoop Dogg's Doggystyle**

**Directed by** Michael J. Corleone.  
**Starring** Obsession, Bronze, Charlie Angel, India, Farrah, Anna Malle, Jade Marcela, Kaire, Mark Anthony, Jack Napier, Cuba DeMoan, Tony Eveready and Mr. Marcus.  
**Videocassette:** HUSTLER Video.

*Snoop Dogg's Doggystyle* ushers forth a new era in porn—one in which the industry's supposed billion-dollar revenue is finally reflected in its content. For too many years smut has emanated a sickly, "home-grown" reek. Shot in Canoga Park, California, backyards on an off-brand, street-vendor camera, the average porn flick brings new defini-

tion to the term "disposable product." Setting a fuck vid in Snoop Dogg's home is a fabulous first step in the right direction. Admittedly, the presence of the hip-hop luminary and his cronies does nothing to aid masturbation. Then again, neither do the tedium and predictability of your average vignette tape or clunky XXX feature. When Mr. Marcus pounds Jade Marcela's twat, or Charlie slides between ebony goddess India's legs for a taste of chocolate clam, for the first time in blue-screen history, the accompanying music doesn't suck. *Snoop Dogg's Doggystyle* takes XXX to the next level.

## The Upbeat Perversion of Patrick Collins's *Tickled Pink*

The new wave of conservatism sparked by the Bush regime may be sending ripples of fear throughout the porn industry, but Patrick Collins is getting a few good laughs out of the situation. With his new series, *Tickled Pink*, Collins combines bondage themes with hard-core sex, while flitting around the kind of touchy subject matter that might grab government attention.

"Too many directors have confused degradation with eroticism, and too many girls are willing to do [demeaning] scenes for the money," says Collins of the current state of outré filth.

Putting an imaginative spin on kink, the Elegant Angel honcho is lensing a series of scenes that begin with the girls being bound and tickled by their sex partners. "Laughter breaks down the walls," Collins says of the pre-sex ribbing. "The euphoria makes for a good fuck scene."

On the set, real-life roommates Flick and Kinky prepare for a three-way with veteran woodsman Valentino. The young, British slits are tied to a ladder and besieged with fingers and feathers. Their supple bodies writhe in futile efforts to avoid the playful prods. Their eyes water, and their stomachs ache. Then, off comes the rope and out comes the dick. Still tittering, the girls attack

*Tickled Pink*: "Say, 'Uncle Patrick!'"

*Tickled Pink*: A soft spot for funny bones.

Valentino's funny bone, devouring his man-meat and snacking on each other before settling down for some serious fucking. Finally, Flick takes Valentino's rod in her ass. By now the laughter is forgotten, supplanted by raw anal action.

Collins isn't doing anything terribly new, even by his standards. The smut auteur has been shooting what he calls "reality-based porn" for years, producing video smut that's heavy on the vérité, light on the "cockamamy stories." The tickling element is just another variation in the filmmaker's endless quest to capture female arousal for male edification. "What people want is the truth. That's why people are interested in puking—because they know it's not fake. When a girl really comes, it's the truth," Collins says. "You can see it in her face." And that's no laughing matter.

*Ass Clowns #2*: "Mrs. Claus! It's not what you think."

*The Fiesta*: Whatever happened to Pippi Longstocking?

**Porno Vision:** A hetero take on Intel's "Power of III" campaign.

**The Watcher #13:** "Can you see it now?"

## The Fiesta

**Directed by** Nicholas Steele.  
**Starring** Brianna Banks, Alexa, Rita Faltoyano, Suzy Sweet, Ava Vincent, Isabella, Dale D'Bone, Evan Stone and John Decker.  
**Videocassette:** Adam & Eve Productions.

Amid the lush tropics of Venezuela, the cast of *The Fiesta* reaches unprecedented heights of greasiness, even for porn stars. Evan Stone looks as if he has taken to wearing lip gloss and bathing in Vaseline, while Dale D'Bone appears to be excreting his own hair gel. Even stunning slits such as Brianna Banks and Ava Vincent wilt in the sticky climate. Director Nicholas Steele's story of rich decadents mysteriously summoned for a weekend of fucking is further weighed down by artsy-fartsy camerawork; his decision to film Banks in anamorphic slow-mo makes the slender tramp look like a matchstick woman with watermelon jugs. Brianna's appropriation of Madonna's *The Next Best Thing*, faux-limey accent doesn't help matters any. A scorching orgy featuring Ava Vincent makes up for some lost time, but fails to transform *The Fiesta* into an all-night whackfest.

## Ass Clowns #2

**Directed by** Thomas Zupko.  
**Starring** Friday, Michelle Raven, Kiki Daire, Krista Leigh, Vanessa Blue, Kitten, Brian Surewood, Mickey G., Hitman, Mr. Pete, Tice Bune, Claudio and Luciano.  
**Videocassette:** Extreme Associates.

Clown and drunken Santa fetishists who've been previously ignored by the porn industry will regard *Ass Clowns #2* as a gonzo masterpiece. Those with weak stomachs, prudish sensibilities or a rudimentary understanding of feminism will likely consider *Ass Clowns #2* a disgusting, vile piece of XXX denigration. Both camps will be right. This demented offering from director Thomas Zupko fortifies the raunchiness of its straight-to-anal porking and slobbery face-fucking with twisted dialogue, settings and premises. Michelle Raven's turn as a downtrodden Rudolph who succumbs to a shitfaced St. Nick is hot, but the flick is at its best when Vanessa Blue, a shit-talking black hooker, gobbles on a white john's johnson. "Punk-ass motherfucker, you ain't shit," the 'ho spits between slurps. The super-sloppy eroticism of *Ass Clowns #2* ain't shit either, but it definitely smells funny.

—N. V.

## Porno Vision

**Directed by** Kris Kramski.  
**Starring** An uncredited bevy of Euro-hotties and some anonymous slabs of man-meat.  
**Videocassette:** HUSTLER Video.

Kris Kramski's über-stylish sleaze extravaganza *Porno Vision* could be the bastard child of Al Goldstein and Yves St. Laurent. Sure, sometimes Kramski overdoes his high-concept techniques. In the first scene, a blonde sucking off two mooks is so gauzily shot, the cock-smoking princess begins to resemble Baby Sun from the *Teletubbies*. Things improve when two exotic dykes shave their heads and cooches before lapping gash in an eerily filmed, black-and-white segment. Later, a honey in blue body paint niftily evokes the otherworldly space bitches from *Star Trek*, except this alien whore is crammed full of dick, not ham-fisted social commentary. Whatever one thinks of Kramski's smut-as-art pretensions, no one can deny that the women in his movies are astoundingly hot. For all its showy directorial flourishes, *Porno Vision* wisely keeps its focus on the stunning cunts at its core.

—C. T.

## The Watcher #13

**Directed by** Robby D.  
**Starring** Nikki Fairchild, Dayton Rains, Kiri, Maya Devine, McKayla, Tavalia Griffin, Eric Everhard, Joey Ray, Dale D'Bone, Vince Vouyer, Chris Cannon and Pat Myne.  
**Videocassette:** Vivid Raw.

*The Watcher #13* gives voyeurs exactly what they want—a ball's-eye view of the action. Director Robby D.'s gonzo series has a simple premise: Every onscreen fuck, suck and pop is being surreptitiously monitored. To his credit, the sex footage is consistently up-close and personal, delivering the raunchy front-row seat that every peeping Tom dreams of. What really distinguishes these hard-core scenes is the realism and sense of intimacy between the actors. Maya Devine and Pat Myne's desperate whispers avoid the appearance of clichéd come-ons. Dayton Rains's moans and squeals feel genuine as Dale D'Bone bangs her box, particularly when she rolls her eyes in ecstasy. *The Watcher #13* offers many such penetrating peeks at private sex, and that's something that most mooks don't see every day.

**Puritan Video Magazine #29:** Sydnee Steele, digital dyke.

**Bedeviled:** How girls who don't swallow spend eternity.

## Puritan Video Magazine #29

**Directed by** Michael Raven.  
**Starring** Monica Sweetheart, Kristyna, Sydnee Steele, Samantha Style, Venuve, Kitty Marie, Dillion Day, Evan Stone and George.  
**Videocassette:** Puritan Video Productions.

*Puritan Video Magazine #29* comprises a competent but unremarkable quartet of scenes. Hardbodied Sydnee Steele struts her snatch in a respectable bathroom lezzfest with cute brunette Samantha Style. The tangling tramps are well photographed as they engage in an utterly routine bout of lapping and sucking. Baby-faced Kitty Marie generates sparks with her frenzied cock gobbling, but her jizz-soaked performance only accounts for a quarter of the action on this otherwise by-the-numbers tape. Only a fool expects overreaching ambition and creativity from porn, but cookie-cutter sleaze that boasts no memorable nastiness is a cynical insult to the deviants who shell out their good cash for stinky filth. The purveyors of *Puritan Video Magazine #29* need the smut equivalent of Tina Brown to come aboard and give their XXX content a *New Yorker*-style overhaul. —C. T.

## Bedeviled

**Directed by** Taylor Wane.  
**Starring** Taylor Wane, Taylor St. Claire, Vanessa, Zarina, Tara, Justine Romee, Nikki Steele, Crystal White, Devina, Donald Hump, Joel Lawrence, Nick East, Dave Hardman and Tom Seiko.  
**Videocassette:** Dreamland U.S.A.

In *Bedeviled*, Brit slit Taylor Wane tackles the role of Satan. As usual, the smutmakers (including Wane, who doubles as director) have a difficult time crafting a narrative that makes any sense. It's a good thing that Taylor's performance as an oversexed dark angel is both scorching and surprisingly well-acted. If you squint your eyes, you can almost picture Elizabeth Hurley being double-penetrated by a pair of anonymous S&M demons. Numerous hell-themed orgy scenes also offer plenty of stroke fodder, as masked sluts fuck and suck their way through eternity. Taylor St. Claire's poolside screw with Joel Lawrence is also immensely whackable. Sadly, shoddy production values erode the boner that the aforementioned nastiness works so hard to sculpt. *Bedeviled* had the potential to be a hell of a fuck flick, but wound up being an infernal mess. —N. V.

## Confessions of an Anal Whore

**Directed by** Pat Myne.  
**Starring** Alexis, Brigitte Kerkove, Charlie, Chennin, Lola, Shelby Myne, Cheyne, Dante, Pat Myne, Rick and Joel Bones.  
**Videocassette:** Metro Inc.

When Latina hottie Charlie confides, "I like to get fucked in the ass really hard," she sets the perfect tone for *Confessions of an Anal Whore*. Avoiding the more extreme side of bung-hole violations (despite the presence of ass queen Brigitte Kerkove), this ode to back-door sex could seduce even the most squeamish young miss into putting her butt on the line. The blissful smile that stretches across Charlie's pretty face as a massive schwanz slides into her browneye is irresistible. Lola and Shelby Myne also make white-hot contributions when they indulge in an anal threesome at a tattoo parlor. Alexis inspires major wood as a girl who loves to piss herself almost as much as she enjoys taking it in the shitter. A killer combo of hot tramps and raw sphincters makes *Confessions of an Anal Whore* a testimony to rectal lust. —C. T.

## Love Hurts

**Directed by** C. A. Batts.  
**Starring** Gia Regency, Selena, Mask #1, Mask #2, Bruce Payne and Ted Hunter; narrated by Slain Wayne.  
**Videocassette:** Robert Hill Releasing.

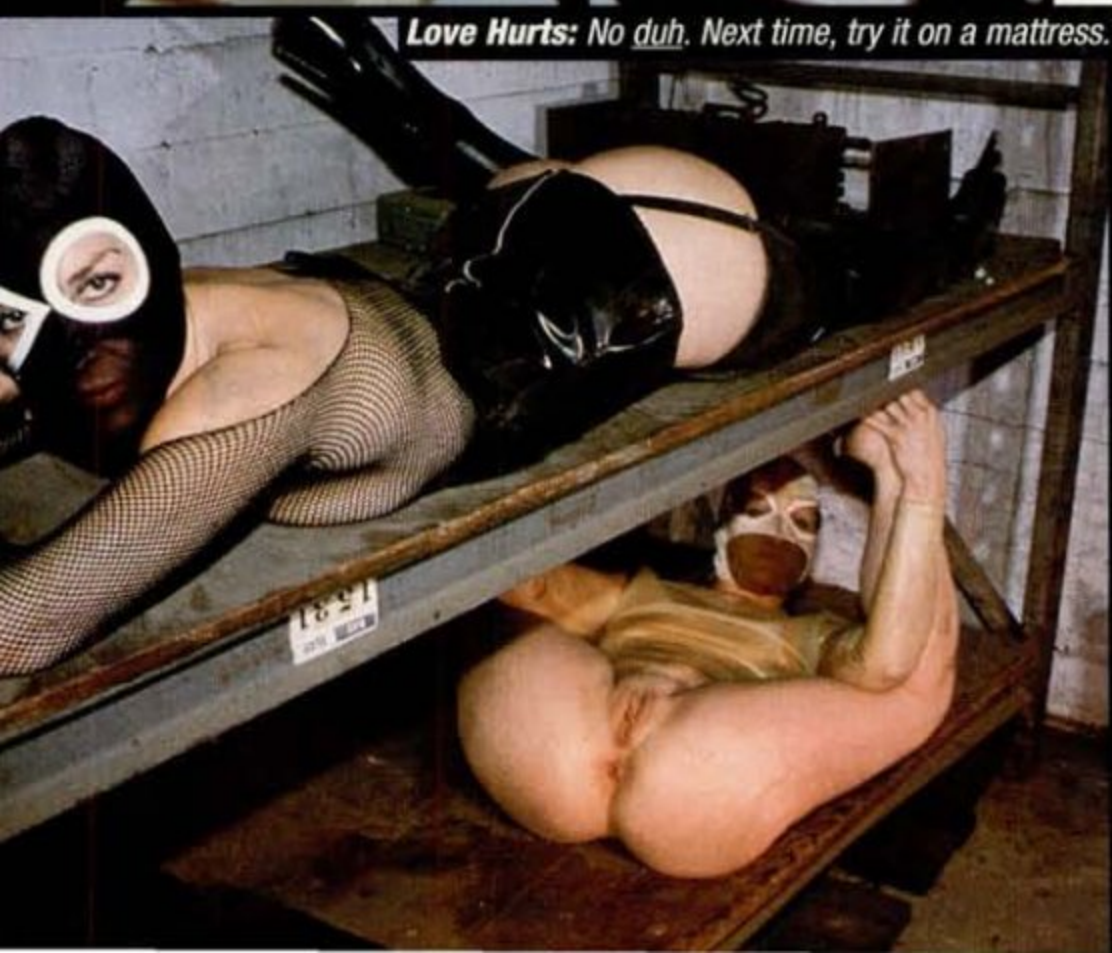

Gleefully bizarre and hilariously kinky, *Love Hurts* travels beyond the fringes of typical fetish films. Slain Wayne jokily narrates this twisted story of one man's interplanetary search for poontang. Gia Regency beams in, wrapped in bandages and restrained by the type of halo brace usually favored by spinal-injury victims. Despite all her gear, Gia shines in psychedelic scenes of sword-swallowing and pussy-pounding splendor. Other memorable sights encountered during the cosmic scrunt quest include a pair of masked, pissing contortionist lesbians from Mars. After the elastic Martian lesbos finish wrenching their ginches, Regency returns for an elaborate bondage and whipping show that will leave viewers' peckers as raw as Gia's glowing, bruised shit pillows. *Love Hurts'* trippy visuals, edgy kink and quick pace strike a perfect balance between pleasure and pain. —C. T.

**Confessions of an Anal Whore:** Lola and Shelby Myne make penance for their sins.

**Love Hurts:** No duh. Next time, try it on a mattress.

## Vivid Sucks Hard for Interactive Smut

The set is crowded with four high-tech camera rigs and an abundance of lighting gear. Several professional-looking cameramen huddle, planning a complicated shot. Nearby, several DVD authoring experts tape hastily scribbled notes to the wall, trying to visualize the menu screen for the scene that is about to be lensed. In a corner, a bare-assed dude strokes his schlong, waiting to be orally serviced by perky-titted screen fellatrix Marcie.

Logistical acumen and attention to detail haven't traditionally been integral components of the porn-making process. In many ways, more complicated digital media, such as DVD, are forcing smut to grow up.

Adult-video giant Vivid, which touts itself as the standard-bearer of XXX DVD, is working diligently to bring interactive fucking to a higher plateau. It hasn't been easy. "There's been stuff where it's either out of focus, or the male performer couldn't perform, or the female performer wasn't on her game that day, and we'll trash it as opposed to using it," admits Jim Monroe, vice president of Vivid Interactive. "We make mis-

**Nikita Denise interacts with a cock.**

takes, and they're costly ones. We try not to make a lot of them.

"Not just any porn director or porn cameraman could pull this off," adds the honcho. "We had to go and get guys, some of whom are from the mainstream industry, that were familiar with this higher-end gear."

Of course, clever locales, laborious planning and high-tech bells and whistles don't guarantee a good fuck scene. Dyanna Lauren, director of much of her company's interactive content, feels the strength of Vivid product "is their commitment to breaking new barriers." Titles in the works include *Dyanna Lauren's Interactive Blow Jobs* (the cause of today's hubbub, which also features the cock-smoking talents of Taylor St. Claire, Dasha, Cassidey, Charlie and Stevie) and a line that allows the viewer to assume the identity of a groupie-fucking rock star or a sex-obsessed professional athlete (not O. J.)—first-person mind-fucks that are hoped to provide a wealth of stroking opportunities.

Just as the creation of film and the advent of videotape have allowed men to view XXX flicks at their convenience, the DVD format promises deeper and more varied access to fantasy fulfillment. But can tech overkill also shrink on-set boners? The anonymous woodsman, flanked by 360 degrees of cameras and lights, doesn't think so. "No way," he says confidently, nodding toward his science-augmented hard-on. "Viagra, man. Viagra."

**High-tech meets hard-core.**

**X Girls:** Angelica would regret her answer to the "goggles or gloves?" question.

**Mirage:** "Hmm...when I do like this, he goes all twitchy."

**Sex Fun #6:** To Dave, porking Ryan is more fun than a *Matlock* marathon.

## X Girls

**Directed by** Stewart Canterbury.  
**Starring** Silvia Saint, Shay Sweet, Chloe, Rene LaRue, Angelica Sin, Brigitte Kerkove, Gina Ryder, Jewel De'Nyle, Evan Stone, Kyle Stone, Rich Handsome and Mike Horner.  
**Videocassette:** Adam & Eve Productions.

*X Girls* is porn ripped from the pages of comic books. True to form, the starlets-turned-superheroes sport skimpy outfits and have funky names such as Vanishing Vixen and Mesmeratix. Going against the pulpy grain, this feature lacks the diversionary fun of its fantastic source material. An overabundance of embarrassing dialogue quickly derails this costumed fuckfest. The fact that the hottest sex scene, a rousing lesbo romp between Silvia Saint and Shay Sweet, involves secondary, civilian characters perfectly illustrates this flick's flaws. Luckily, a last-minute anal encounter saves the day. A hairy villain plunders the bungholes of Brigitte Kerkove and Angelica Sin before splooping on their mutant-sized melons. *X Girls* is passable, geek-oriented smut, but falls far short of becoming a limited-edition, XXX collector's item.

—N. V.

## Mirage

**Directed by** Brad Armstrong.  
**Starring** Alexa, Sydnee Steele, Adriana Sage, Heather Lynn, Nikita Denise, Mark Davis, Mr. Marcus, Bobby Vitale, Lee Stone, Dillion Day and Nick Manning.  
**Videocassette:** Wicked Pictures.

Porn's hottest ginches spread open and screw in *Mirage*. Too bad grease-palmed viewers must first sit patiently through endless, tacky vignettes reminiscent of romance-novel cover illustrations. *Look!* Alexa is riding a horse on the beach! That black panther sure looks scary! *Golly*—it morphed into Mr. Marcus! No expense was spared in making *Mirage* a lush and opulent spank flick, but the wads of cash thrown at the production stifle any immediacy in the onscreen rutting. As fake as the standard grunts and groans of porn stars in heat may be, they're better than the bogus, Enigma-ish soundtrack that blares from the tapes' audio track. Closet set designers and Fabio fans will likely squeal for this vid, but those seeking more visceral smut won't be fooled by this *Mirage*'s flimsy illusions of passion.

—C. T.

## Sex Fun #6

**Directed by** Dave Cummings.  
**Starring** Ryan Conner, Kurious, Babyface, Nicola Gené, Aurora, Juliet Sheridan, Pandora, Rick Shaw and Dave Cummings.  
**Videocassette:** Dave Cummings Productions.

Some folks take up gardening or collecting classic cars when they retire, but Dave Cummings, the sexagenarian star and director of *Sex Fun #6*, spends his autumn years fucking gorgeous young porn stars. Some player-haters will suffer instant fits of jealousy when they see twentysomething sluts such as Kurious gobbling the old man's rod and bending over to welcome his tool into their sphincters, but those who put too much thought into critiquing male "talent" walk a slippery homo slope. Besides, Eisenhower-era oldsters such as Cummings might be onto something. Cummings's Hank Hill-esque, good-natured disposition beats the half-limp idiocy of Kid Vegas any day. Where it really counts—the chicks, the screwing and the production values—Dave's father-knows-best fastidiousness makes *Sex Fun #6* solid porn.

(continued from page 30) face. Dew stuck out her long, wet tongue and impatiently wagged it.

"I want to suck your cock so bad," she moaned, drooling and rubbing her sloppy cunt.

"Fucking take it," I responded.

I plugged her piehole with my meat. The sausage slid down her hot throat. Her gullet massaged the head; her tongue titillated the shaft. The bitch was incredible. My balls growled and tightened. I gripped Dew's skull to slow her down.

"Ease up," I shuddered, "or you'll make me spuzz."

"Oh, man!" Dew yelped, spitting out my prick and pumping it in her fist. "Fuck me then!"

The fiendish cockhound ripped her T-shirt open and sucked one of her big tits. Purplish lipstick smeared her face and nipple. With my dong spit-shiny and blazing, I held Dew's ankles above her head and aimed for her shiny, pink tang.

"Fuck yes!" Dew yelled as I plunged balls-deep. I pressed her calves against my ears and pumped in and out, fast and slow. Her pussy was like silk. Dew shook her heavy knockers in her hands and thrashed her head back and forth like she was wailing in the mosh pit.

"That's right, big, bad man," she groaned. "Fuck me silly. Make my poontang scream!"

I was a goner. Dew hooked her ankles around my neck, and I hammered her clam like it was my last fuck. Bells and whistles screamed in my head. My nuts clenched and roared; I nearly passed out.

"Boooo-wahhhhhh!" I bellowed. Dew came too; her vage vibrated around my cock as I shot wazz inside her. I pulled out and toppled onto the ground, reeling. Grinning maniacally, Dew jacked her cunt one more time while I stared on in a daze. A squirt of my own semen shot from her twat and arched through the air, graceful as a salmon.

"Don't forget: Kitty Crunch," Dew called breathlessly as she staggered away to catch her bus, buttoning her denim jacket over her bare tits.

I won't forget. If that bitch sings half as well as she sucks dick, she's destined for stardom.

## Here Comes the Bride

I love my husband Fred—I wouldn't have married him if I didn't—but I had to get Barbara out of my system. Maybe

my wedding day wasn't the most appropriate time to enact that long-awaited catharsis, but now that it's done, I can devote myself to faithful wifedom.

Barbara was the maid of honor in my wedding. She's been my best friend since high school. I was a nervous wreck on the big day, and was grateful to have Barbara there to soothe my nerves and help me into my dress.

Truth is, I'd wanted to fuck Barbara since our first year of college, when we were tied together naked—tit-to-tit—to a tree as part of our sorority hazing. So here I was, alone in my bridal chambers with Barbara's cool, smooth hands all over me, and I figured, *why not?* Better now than when I have children and a fucking Dodge minivan.

Barbara was helping me into the corset-type apparatus I needed to achieve fluffy, pushed-up bridal cleavage. She and I sat at my dressing table, surrounded by vases of gardenias and burning white candles. We must have looked like one of those fruity scenes from *Penthouse* magazine. Barbara wore her maid of honor dress, a lovely teal number with a plunging neckline and puffy skirt. Her blond hair was softly curled and hung in shimmering strands around her gentle face. My pulse pounded as Barbara leaned into me to fasten an eye hook, her powdery perfume filling my nostrils. When Barbara cupped one of my taut, teacup breasts to position it correctly in the bustier, I could no longer contain myself. I pressed my lips against hers and plunged my tongue into her sweet mouth.

"Linda," she protested, pulling away. "You'll ruin your lipstick."

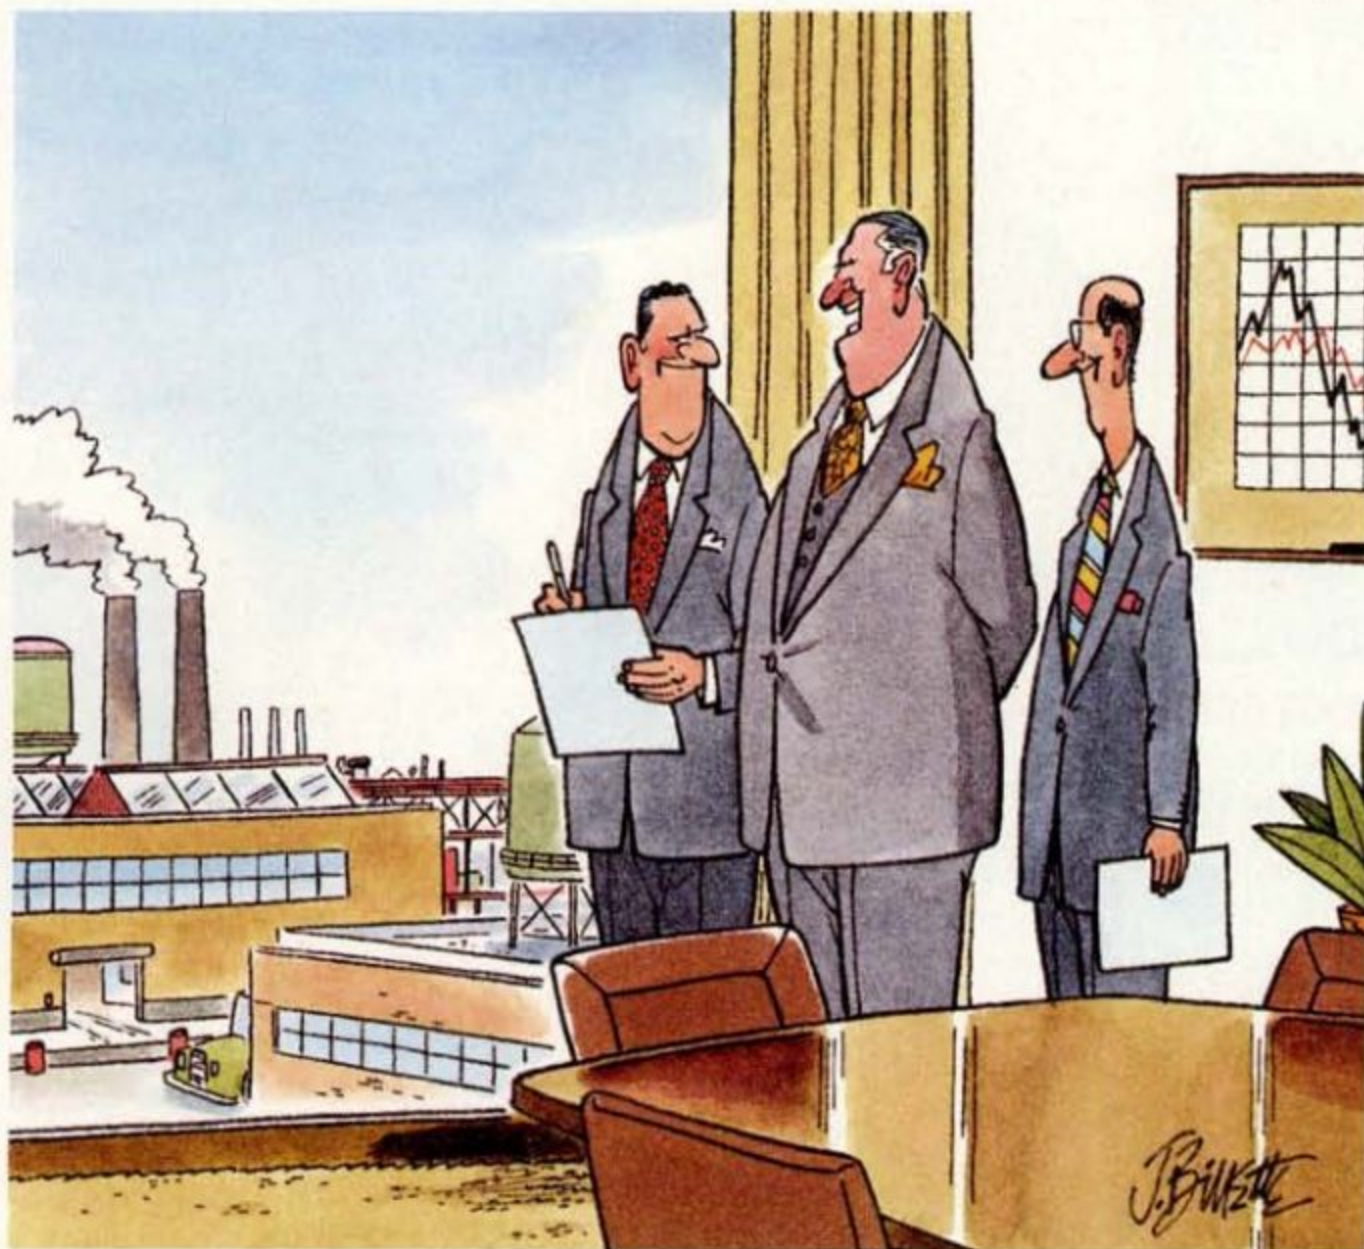

"Lipstick be damned," I declared, grasping her face and ramming my tongue back down her throat.

"Well, all right," Barbara said, removing her dyed teal pumps and unzipping her dress so her teats peeked from the top. "Let's just be quick about it. We still have to do your hair."

I took her milky tit in my mouth and sucked passionately. Barbara clutched a handful of my wild, dark hair and yanked.

"Suck, mama," she cooed, gathering her puffy skirt around her waist and pulling her teal, thong panties aside. With Barbara's boob still filling my mouth, I slid my hand between her legs and fondled her hot

(continued from page 40) pussy. The lips were moist and downy with light fuzz. Her angry clit throbbed deep red, poking from between her labes.

"Lick me from behind," Barbara instructed, crawling to the floor. Crouching on her hands and knees, she thrust her ass in my face. The layers of her skirt's netty fabric rustled as I pushed the bustles out of my way. I slid my tongue along her slot, poking the tip playfully against her butthole. Barbara moaned and rolled her hips in slow, lusty circles. My cunt dripped thick honey, soaking my pure-white bridal panties. *Let Fred think that his irresistible virility gave me the sticky undies*, I thought as I rubbed my hand between my legs to ease the burning desire in my groin. I wrapped my arms around Barbara's neck and pressed my pussy against hers.

"Goddamn; what I wouldn't do to have a dick to fuck you with," I moaned, stuffing my cunt-soaked fingers into Barbara's mouth.

"Make do," Barbara mumbled while sucking juice from my hands. "Hook your thumb in your pussy, and then stuff three fingers in my tang."

"Uh-huh, okay," I nodded, jamming my thumb in my conch while slobbering

fresh lube onto Barbara's slit. Her fanny shook with anticipation. I sucked my fingers, then slid the first two into her tight gash. The prone bridesmaid's muscles buzzed. I bucked my hips and wiggled a third digit inside Barbara, keeping my thumb securely fastened in my hole. With each pelvic thrust, my fingers pumped my maid. I felt as though I possessed my very own, multipronged cock as my thumb massaged my yearning puss.

"That's too good, honey," Barbara called. "Let's eat more pussy before I bust."

Barbara popped off my fingers with a hollow *thwok*, like when you pull a Tootsie Roll sucker from your mouth. She flipped onto her back and spread her cunt lips.

"Wear your bridal veil and 69 me."

Happy to oblige, I fastened the billowing, gauzy covering onto my head and climbed onto Barbara's face. I rode for a moment, savoring the slippery heat as Barbara's tongue slithered up and down my clit, then buried my face in her twat once again. As I lowered my head to her crotch, my tits, hanging free from their intended cups, brushed Barbara's silky thighs. With each dunk of my tongue, my hard nipples drew

patterns on her flesh. My vision was a haze of slick pink skin and diaphanous white fabric. Barbara's wet mouth consumed my cooter. My entire mound was engulfed by her maw; she sucked greedily as glaze dribbled from my slit. It felt like my pussy had been placed against a wet, warm vacuum hose. I bobbed against the sloshy heat and ate Barbara's conch harder and harder.

"Yeah, you slut," I cried, my ass trembling uncontrollably as I neared orgasm. "You're gonna make me squirt gunk all over my spotless wedding panties. You're gonna dirty me, you cunt."

I came copiously, soaking Barbara's face and my precious dainties. Barbara squirted in my mouth, her spicy broth shooting down my throat and warming my belly.

"Better brush my teeth," I panted, "or Fred will be kissing your cunt."

Barbara and I had to completely redo our makeup after that. We were almost late for the ceremony. I looked a little flushed when it was time to walk down the aisle, but everyone thought it was just the wedding-day glow of a blushing bride. I guess that's what friends are for.

## ***I Hate You; Now Fuck Me***

Buck Simon. That bastard. What kind of a stupid name is Buck Simon anyway? That fruitcake thinks he's a regular Romeo. He could never keep it in his cheesy-ass pleather pants. I have such terrible trouble with that Buck Simon. He fucks other bitches; yet I keep fucking him.

The first time I caught Buck with his dick in some blond hussy's ass, I forgave the creep. Sure, I was pissed; but what can I say—I thought I loved the guy. Besides, this girl was a joke. Little trailer twat works graveyard at the paper mill and smells like a moldy beer fart; it was all too lame for me to blow my top over.

The *second* time though—*fuck!* Buck was in *my* bed, in *my* apartment that I paid for with *his* cock lodged in *my* very own sister's throat. *My fucking sister!* Christ, you should have seen those two. Gail (my cunt sister) had her shirt off; her big ol' floppy milkers were shimmying all over the place while Buck pounded her maw. Buck looked (continued on page 165)

## Pet Mounds

*My wife and I have been happily married for 35 years and have a very active sex life. Now that the kids are grown up, I bought a friendly black Lab to keep my wife company. The other day I came home from work to find my wife at the kitchen table, drinking a cup of coffee. Our pooch was under the table with his snout firmly planted between my wife's legs. From the look on my wife's face and the fact that the pup had a huge boner, I felt like I was interrupting something. I know that I should be disgusted, but I was really aroused. Would I be out of line to let my wife know that I'd love to see her and Rover go for broke?*

—W. J.

Baton Rouge, Louisiana

My Jack Russell terrier loves to lick folks from top to bottom. The thought has entered my mind to let him taste my pussy, but I've never felt ethically comfortable with following through with this particular fantasy. Try whispering your bestial visions in your wife's ear while fucking doggy-style. Bark like a hound, sniff her crotch and pee on fire hydrants all you want, but leave poor Spot out of it. No matter how clever you think your pet is, he's still too dumb to be a consenting participant in bed.

## Ball-Blast in a Bottle

*In the January 2000 issue ("Cum Geyser"), you advised a reader that stars such as Peter North don't rely on pills to create their huge semen geysers. Your advice to exercise and stay away from drugs and alcohol is sound, but I recently discovered that Peter North endorses a product called the Power Pill, which is supposed to increase the force and amount of ejaculate. Does this shit work, and does North really use it?*

—F. R.

via Internet

Mail-order products that promise to increase ejaculatory output are over-the-counter cocktails containing the same stuff found in multivitamins and homeopathic remedies. My advice still stands. Peter North is naturally gifted with a healthy, powerful nut-blast. Regardless of whether he uses the supplements or not, it would be silly to think that one could duplicate his cock eruptions by simply popping a pill. It's your money though; maybe you should just fork out the dough and find out for yourself.

## Cum-Shy Mom

*I'm a 29-year-old, divorced single mother with three kids. My current boyfriend and I have been together for quite a while; we're practically a married couple. My guy wants me to give him blowjobs, but I don't like to suck him off to completion. The idea of finishing the deed makes my skin crawl. I feel like shit every time I drop to my knees, because my boyfriend is always disappointed when I don't take his load in my mouth. I really would like to make my man happy in every way. What should I do?*

—T. U.

Madison, South Dakota

There's no rule that oral sex must end with a wad of spuzz in the back of your throat. Even experienced jizz-gobblers occasionally shudder at the sensation. Work your way up to cum gargling. Have your man splooge on your tits, neck and, eventually, your lips and tongue. Remember: The taste of sperm may seem gross at first, but the fishy scent of a ripe, dripping pussy may not always seem appetizing either. Like sushi and caviar, they both can be acquired tastes.

## Wet Pussy, Dry Spell

*I've been married for six years, and my husband hasn't screwed me in almost three. I don't know what to do. I've*

**Jeanna Fine**  
Tells the  
Fucking  
Truth

*asked him why he doesn't want to fuck me, and he tells me that it's because his Hepatitis C prevents him from growing boners, but he's only had this infection for the past year. What's going on here? Am I doing something wrong?*

—J. L.

via Internet

Hep C is a bloodborne disease of the liver caused by the Hepatitis C virus. Symptoms include fatigue, which might possibly account for your ol' man's terminal flaccidity, if not the time-line discrepancy. Those at high risk include intravenous drug users, hemodialysis patients, health-care workers, sex partners of infected persons and people with multiple fuckmates. I'm not going to make any accusations, but perhaps you should examine your husband's behavior for the past several years. Try to determine which of these factors, if any, apply to him, and think hard as to whether they could be contributing to your lackluster sex life.

## Post-Pop Depression

*I've been noticing a huge discrepancy between my masturbation fantasies and real-life sexual behavior. When I whack off, I imagine eating pussy for hours, caressing and kissing the chick's entire body, then slowly screwing her until dawn. When I really hook up with a girl, as soon as I blow my load I'm as useless as a third nipple. What's my problem? How come I have the*

*The idea of screwing till dawn is more romantic than realistic. If your body wants to bust a nut early in the game, don't sweat it.*

*desire to be a killer lay, but lose the will once my balls have emptied? —R. S. Haines City, Florida*

The idea of screwing till dawn is more romantic than realistic. Sure, there are folks who have the stamina to bang the night away, but everyone's different. If your body wants to bust a nut early in the game, don't sweat it, but don't wimp out and call it quits either. Use your refractory period to bring your partner to orgasm by nonpenile means while your wood replenishes. If you feel too tired or spent after blowing your load, avoid climax by fucking in short bursts and not letting your girl suck or stroke you off until you're absolutely certain that your work for the evening is done.

## The Soft Pack

*Is it true that cigarettes cause impotence? I've been a steady smoker for the past 15 years, and have always known about the medical downsides of puffing on butts. Hearing that coffin nails could be fucking with my sex life has caused me to consider dropping my habit. Kicking is gonna be tough; so please verify that my nicotine addiction is bad for my dick before I put myself through the ordeal. —W. B. Newton, Iowa*

The antismoking contingent's latest studies suggest that smoking can cause impotence—which is as good a reason as any to quit cancer sticks. As an unapologetic smoker, I don't mind admitting to puffing on butts before, during and after sex. Besides, nowadays we have Viagra to help grow wood when needed. Still, if you're thinking about quitting and need an excuse, let your dick help you save your lungs.

## Hummer History

*My pal claims that fellatio was invented by the French a couple of hundred years ago. I say he's full of shit. You'd think that Stone Age studs would have been shoving their clubs into cave-*

*bitch mouths long before those baguette-nibbling sissies came up with their foofy name for blowjobs. Help us settle our bet, Jeanna; is sucking cock an ancient tradition or a recent Frog discovery? —D. L. Fridley, Minnesota*

Looks like you win. The French are masters of sensuality and have perfected many perversions (e.g., the Marquis de Sade), but pictographic evidence of cock-smoking dates back as far as ancient Egypt.

## Bone Bumping

*Just recently, my wife and I have started bringing my close buddies into our bed for threesomes. So far, everyone's been cool and comfortable with the swinging. The other day, though, my woman expressed interest in trying a double vaginal penetration. I know she can handle the physical strain, because I've seen her stick some pretty big shit into her snatch. I just don't*

*know how I feel about rubbing dicks with one of my drinking buddies. To make things worse, my best friend has expressed excitement at the prospect of squeezing into my wife's cooch with me. Is my bud a closet homo, or am I just overreacting? —D. P. Valley Forge, Pennsylvania*

Double vaginal penetration is a very difficult, not to mention intimate, maneuver. If you feel insecure going cock-to-cock with your pal, perhaps you three should first try a vaginal/anal double penetration. If tandem hole-humping gives you the heebie-jeebies, scraping against another man's pork in a crowded pussy probably isn't for you.

## Piercing Pleasures

### Pain Lovers Hooked on Pins and Needles

by Lara Sterling

Illustration by Michael Yeager

**B**ehind closed doors in an industrial loft in downtown Los Angeles, Mistress Lina, a raven-haired dominatrix, breaks open a fresh carton of hypodermic needles. Mike, an ardent pain lover and regular client of Lina's, grunts in anticipation.

"Okay," Lina says in a singsong voice, "give me the money."

Mike hands over \$300, strips naked and reclines on a powder-blue gurney. Boxes of Betadine pads, bottles of rubbing alcohol and gleaming rows of hemostats are laid out on a surgical tray. Lina immobilizes her client with Velcro-lined nylon restraints. Clutching a pair of stainless-steel forceps, she pinches Mike's scrotum and pushes a needle into the skin until it slides out the other side. A smile brightens Mike's face as his cock bulges into a hard-on.

In less than an hour, 75 stainless-steel needles climb like a ladder from the back of Mike's ball sac to the base of his prong.

"Use me as your pincushion anytime you want," Mike groans. His dick pulses, on the brink of ejaculation.

Mistress Lina carefully withdraws each needle from Mike's nut bag and deposits the miniature skewers in a red-plastic container bearing a BIOHAZARD sticker. Each pinhole oozes a droplet of blood, which Lina daubs with an alcohol-soaked pad. The operation complete, Lina frees one of Mike's hands so he can beat off. Soon, his

*dong spurts cum, and his body convulses against the harness.*

*The dominatrix frees her slave, snaps off a pair of latex gloves and drops them in the wastebasket. Mike exits the industrial complex, another satisfied, if sore, customer.*

Professional dominatrices and their submissive clientele are among a growing breed of thrill-seeking kinksters who practice a sexual pastime known as "play piercing." Male devotees take needles in the scrotum, and sometimes through the shaft or the testicles themselves. Females are typically pierced through their labia, nipples or clitoral hoods. Master Octavius, an avid New York-based sadist, has recently gained notoriety for his trademark technique; he lines two parallel columns of needles in his victim's stomach, runs thread around the shafts and pulls tight, resulting in a gory flesh corset.

Hal Williams, a New Orleans, Louisiana, tattoo artist, was introduced to sadomasochism by a woman who tortured his penis with a needle and thread.

"My girlfriend would experience an intense orgasm every time she inflicted pain on me," Williams says. "One night, she climaxed three times as she sewed thread into my dick. I was hooked."

Williams claims that he too derives erotic pleasure out of pain. "The only place I would want to ever take a piercing is in the head of my cock," he says. "That is where all my sexual sensations are centered. When a piercer sends a needle slicing through my cock head, the sensation is so intense, I sometimes spontaneously ejaculate."

Mistress Maxine, a dom from Fort Lauderdale, Florida, recently pushed a four-inch spike through a slave's nipple.

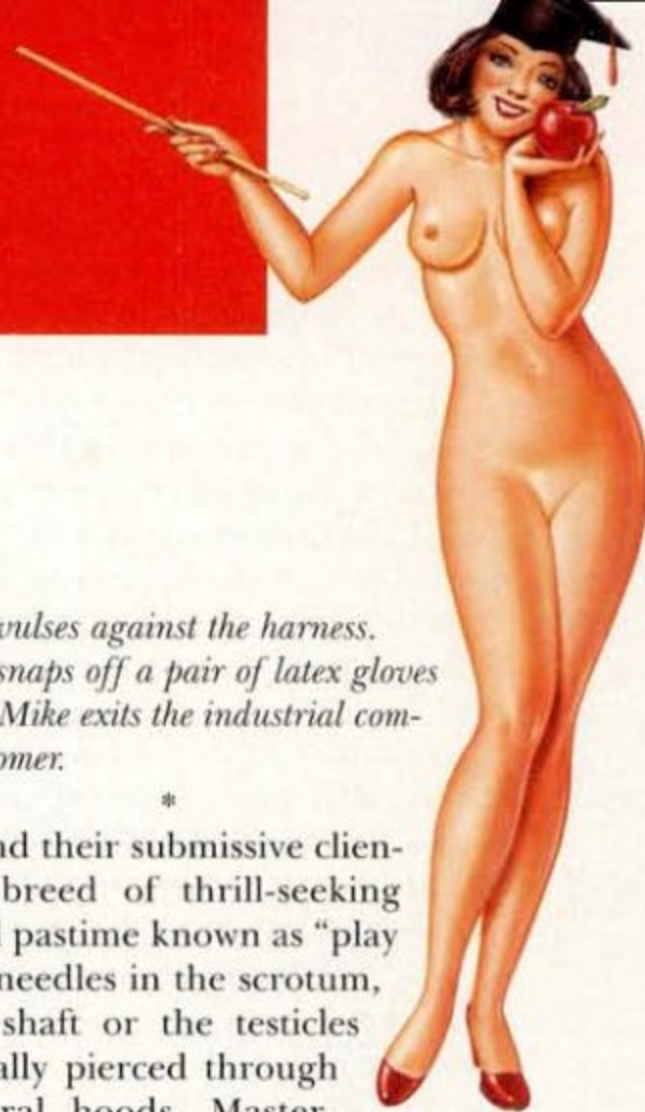

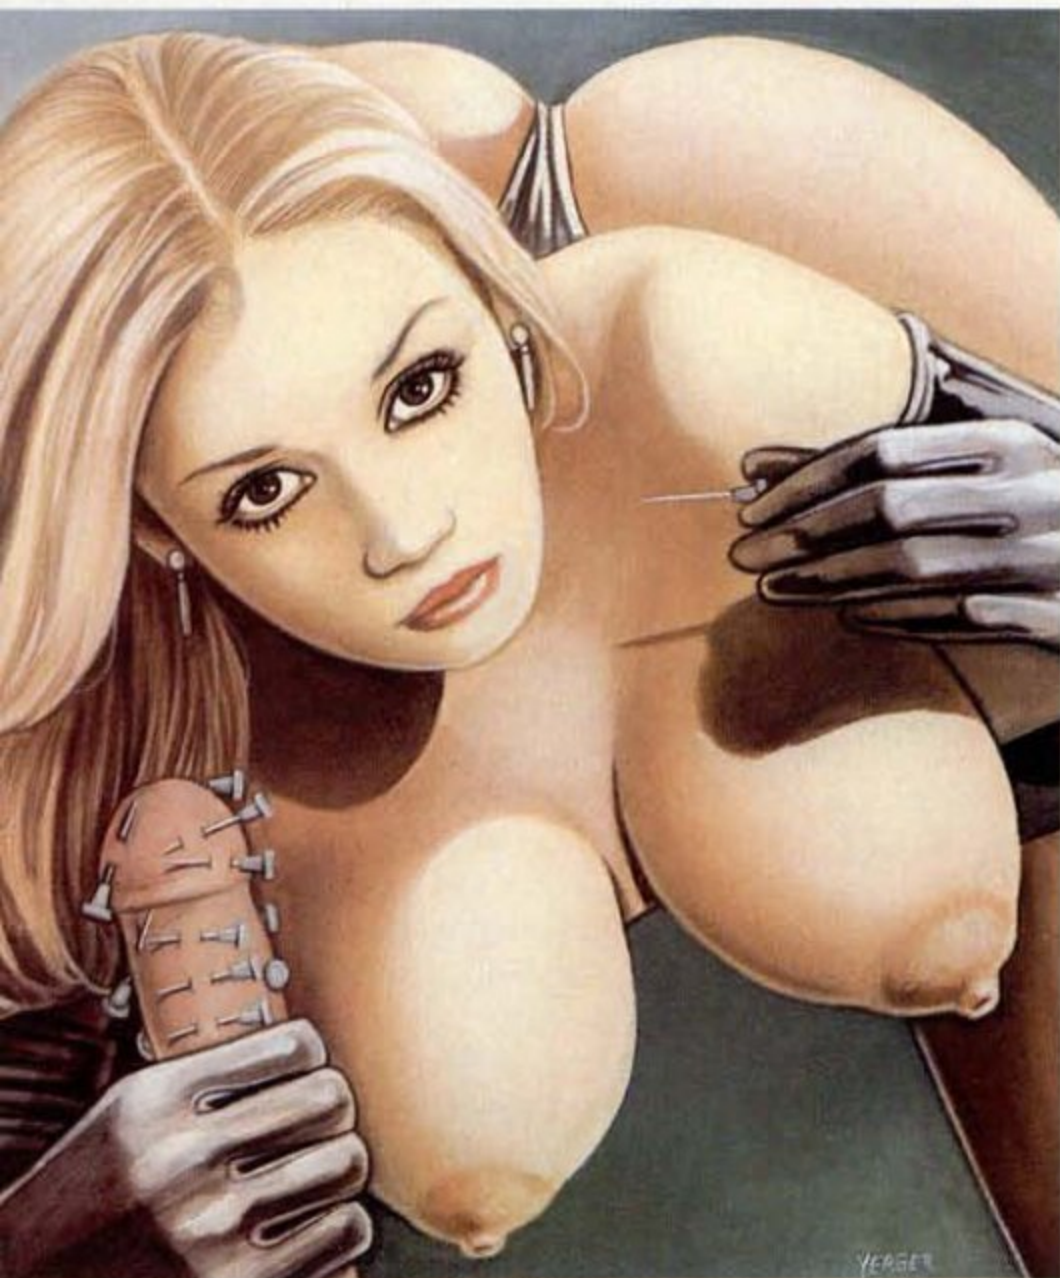

"It's exciting to have someone trust me enough to let me penetrate their skin," Maxine says. "My slave wouldn't have let another dominatrix do the piercing for him. It was only for us."

Pleasurelord, a 31-year-old lawyer and ardent play piercer from Arcadia, California, recently honed his skills during a workshop held in a private Los Angeles dungeon.

"We were taught that a piercer must maintain sterile conditions by wearing two pairs of latex gloves and cleansing the site to be pierced with Betadine," says Pleasurelord. "The piercee is told to relax. Once they acknowledge that they are ready, the needle is slid into the desired spot."

Before Pleasurelord operated on a friend, he offered up his own cock for piercing. "Every responsible piercer should first experience the sensation himself," he says.

Are these edgy sadomasochism techniques safe? Dr. Michael Resnick, a professor of urology at the University Hospital of Cleveland/Case Western Reserve, says that play piercing is unlikely to cause harm if restricted to the surface levels of the epidermis, but he warns that some

extreme activities are dangerous.

"A piercing deep into the testicles can result in infection, which can lead to testicular malfunction," warns Resnick. "I have also seen patients with piercings through the urethra who then have problems with urinary functions. Plus, you're not apt to find sterile conditions in many amateur situations; so the chance for infection is heightened."

A wanna-be pincushion who is willing to suffer possible health risks must clear a formidable hurdle before taking part in this kink: acquiring needles. In most states, hypodermic needles can only be purchased with a prescription. (Traditional piercing needles are prohibitively expensive and generally considered too thick for play piercing.) Determined skewer fanatics are sometimes able to score spikes via veterinary-supply or wholesale medical-supply outlets. An Internet search may also prove fruitful. Ordinary sewing needles are not recommended, since almost all are plated with chromium, which can flake off and cause infection.

While securing supplies may be difficult, spike-heads have no shortage of theories regarding their kink's allure.

Some pincushions, such as Gustavo Gonzalez, of Anaheim, California, enjoy pleasing their tormentors. "I love the idea that a beautiful dominant is amused by the fact that I am taking so much pain for her," says Gonzalez. "I feel pride in the fact that I have suffered so much for her enjoyment."

Ironically, Gonzalez is terrified by needles under more "vanilla" circumstances. "I've been putting off going to the dentist because I hate novocaine shots," says Gonzalez. "But, on the other hand, if I happened to have a hot female dentist, I'd be jumping at the opportunity to take my injection for her."

Mistress Cynthia, of Orange, California, attempts to explain why she likes jabbing people with needles.

"I only know what I feel," Cynthia says. "When I see a penis getting hard as a result of the pain I am inflicting, I can't help but feel sexually aroused."

"The skin is your ultimate barrier against the world," Cynthia adds. "And when you allow someone to breach that skin and enter into your blood, you open a pathway for the exchange of energy, like when a penis enters a vagina, but much tidier."

Howard Devore, Ph.D., a San

Francisco-based psychologist and sex therapist, says the explanation for the pleasure/pain paradox lies in the body's natural reaction to agony—the release of pleasure-giving endorphins into the bloodstream.

"Some S&M aficionados have mastered the pain, so that when it is inflicted upon them, they only feel the endorphin rush," says Devore, who warns that many edge players are in danger of requiring increasingly extreme measures to attain their "fix."

"I call them 'endorphin junkies,'" Devore says.

Some women gore holes through their labia and hang padlocks from their pussy lips. Masochistic males sometimes pin a halo of straight needles into the foreskin. The risks involved with suffering these extreme puncture wounds are said to make the practice that much more titillating. When these pain freaks buy sessions with pro doms, they beg for stomach-churning acts of cruelty.

"I have a submissive who likes me to pierce his nut sac with safety pins because they rip the skin and cause more pain," says Mistress Maxine.

Sometimes the cravings of ultra-masochists daunt even experienced piercers. Lady Jen, a pro dominatrix in Seattle, Washington, was stunned during a recent session with a new customer.

"I was doing what I usually do—pinching my client's scrotum and pushing needles through the bunched-up skin," Jen says. "He said, 'No. In my balls.' I pushed the needles into his balls. He winced, but his dick was hard the whole time, and he told me to push them in deeper. I pushed them all the way through. He told me I didn't seem to be enjoying myself. It wasn't that. The whole idea was just a bit intimidating."

Mistress Lina had a client who wanted her to cause him permanent damage.

"The guy was on his way to getting a sex change, and he wanted me to torture his cock before he cut it off," Lina recalls. "He said, 'Who needs a cock and balls if they're just going to be split open to create a vagina anyway?' I would kick him in the balls, and he'd go, 'Harder! Harder!'"

However, most needle-lovers don't go to these organ-nullifying extremes; they're happy with a poke and a smile.

It's the first week of January 2001, and the pornography industry has made its yearly migration from California's San Fernando Valley to Las Vegas, Nevada, for the annual XXX trade show.

The porn jamboree (the inaugural AVN Adult Expo replaced the mainstream Consumer Electronics Show as the host of the annual convention) is typically a boisterous orgy of voyeurism, exhibitionism, buy-

ing and selling, but this year, a cold wind has blown into Sin City. The halcyon days of the soft-on-sleaze Clinton Administration, when federal obscenity prosecution dropped 86% from the Reagan/Bush years, are officially over. George W. Bush, the man who is now President, counts the Religious Right among his core constituency, and warned during his campaign that "porn has no place in a decent society." ➤

# Porn vs. Bush

There's one sure sign that things are not quite right at the AVN Adult Expo: Soft-core is hot.

"We don't like to say *soft-core*; we prefer *specialty market*," says Mark D'ull, head honcho at Best Parts Video, which specializes in micro-miniskirt flicks.

"We're breaking into a new area," D'ull enthuses. "We stay away from penetration."

When pressed, D'ull concedes that his pornographic vision has been dulled by considerations of the law-enforcement environment.

"We want to be a profitable company," D'ull says. "We want to be a growing company; so we don't want to push it."

Victor Gueta, a swarthy Israeli who presides over waist-high stacks of stroke flicks at the Avica Entertainment booth, is similarly wary. *Bukkake* films, in which dozens of men ejaculate onto a woman's face, are currently among Avica's best sellers. However, Gueta fears the *bukkake* bonanza may soon run dry.

"If something's going to happen, if they are going to tell me something, I'll take [*bukkake*] off the shelf," Gueta says. "It's not worth the trouble."

The *they* Gueta refers to are prosecuting attorneys. Since 1973, the year the Supreme Court left the definition of

obscurity up to "the average person" applying "contemporary community standards," pornographers have tested the limit of the law via trial and error.

Bill Clinton navigated the muddy water of obscenity law by ignoring the matter altogether. Whereas Clinton's predecessor, George Herbert Walker Bush, oversaw 223 lead-charge obsceni-

ty prosecutions between 1988 and 1992, "Slick Willie" notched only 19 busts in 1996, six in 1997 and eight in 1998. The "Blowjob President's" message was implicitly clear: Anything goes.

"Under the Clinton Administration, everyone just kept going further and further," says Russ Hampshire, the CEO of VCA Pictures, who paid a \$2-million fine

and spent a year in prison following a 1992 obscenity conviction. "Some companies have given out bullets to shoot at the whole industry—you have urination, you have some defecation out there, you have severe bondage, rough sex, people acting like teenagers. These are the no-no's."

Extreme Associates is an upstart video company that was founded on no-no's. Rob Black, who launched Extreme Associates in 1998 when he was 24 years old, is notorious for directing some of the filthiest, most degrading cock operas on the open market.

"You watch 'em, and you jerk off all over yourself, and you feel like shit," Black says. "You think, 'I just jerked off to this? What's wrong with me?'"

*Slap Happy* is one of Extreme's roughest series; these blowjob videos feature women being slapped in the face and gagged with cocks, sometimes until the fellatrices vomit.

"We're pushing and pushing and pushing, and we're going to do more," says Lizzy Borden, a onetime skin star who now directs Extreme's *Forced Entry* series, in which a hired dick reenacts the rapes and murders committed by convicted serial killer Richard Ramirez.

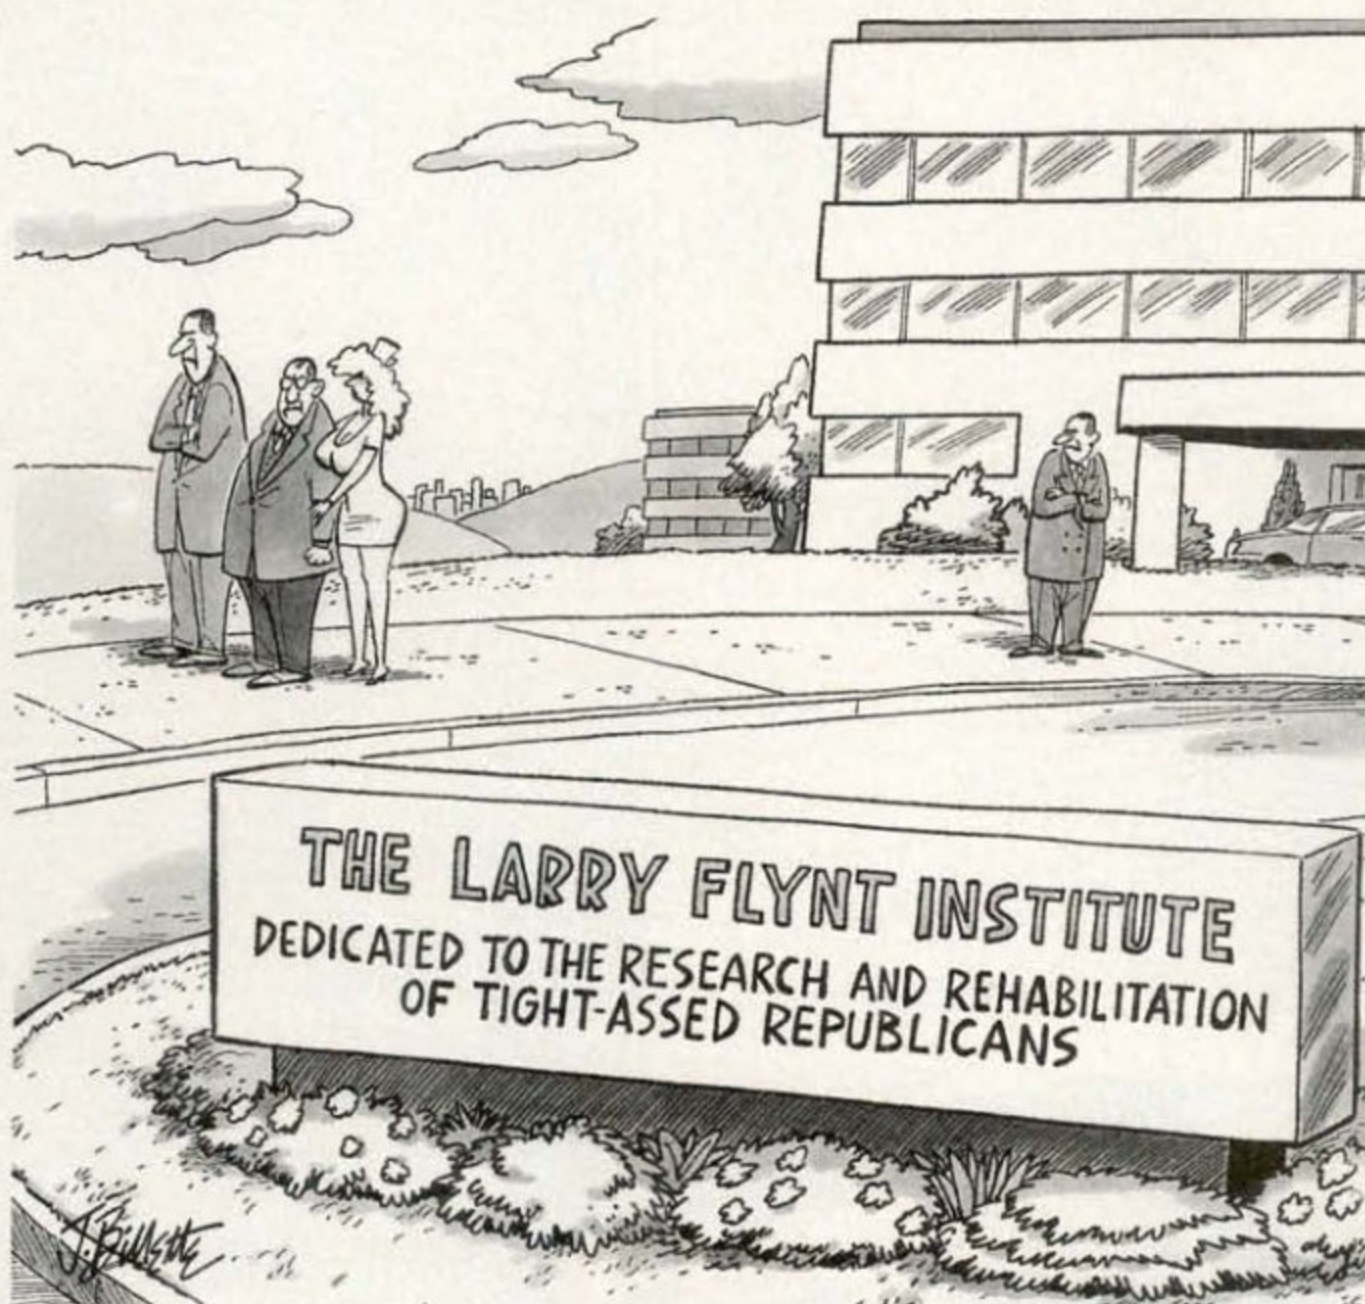

Extreme Associates is a black sheep in an industry that is top-heavy with corporate operations hoping to ratchet toward mainstream acceptance by way of kinder, gentler, couples-oriented smut. Soft content provides little comfort, though, with a right-wing Republican installed in the White House. When George W. Bush was sworn in as President, the collective response of the adult-film industry was to dive for cover.

Paul J. Cambria Jr. is a First Amendment attorney who has represented a dream roster of the biggest names in adult film—Larry Flynt, VCA's Hampshire and Steven Hirsh of Vivid Video, among others. When it became clear that G. W. Bush would be the next President, Cambria was contacted by an anxious sleaze peddler with a burning question.

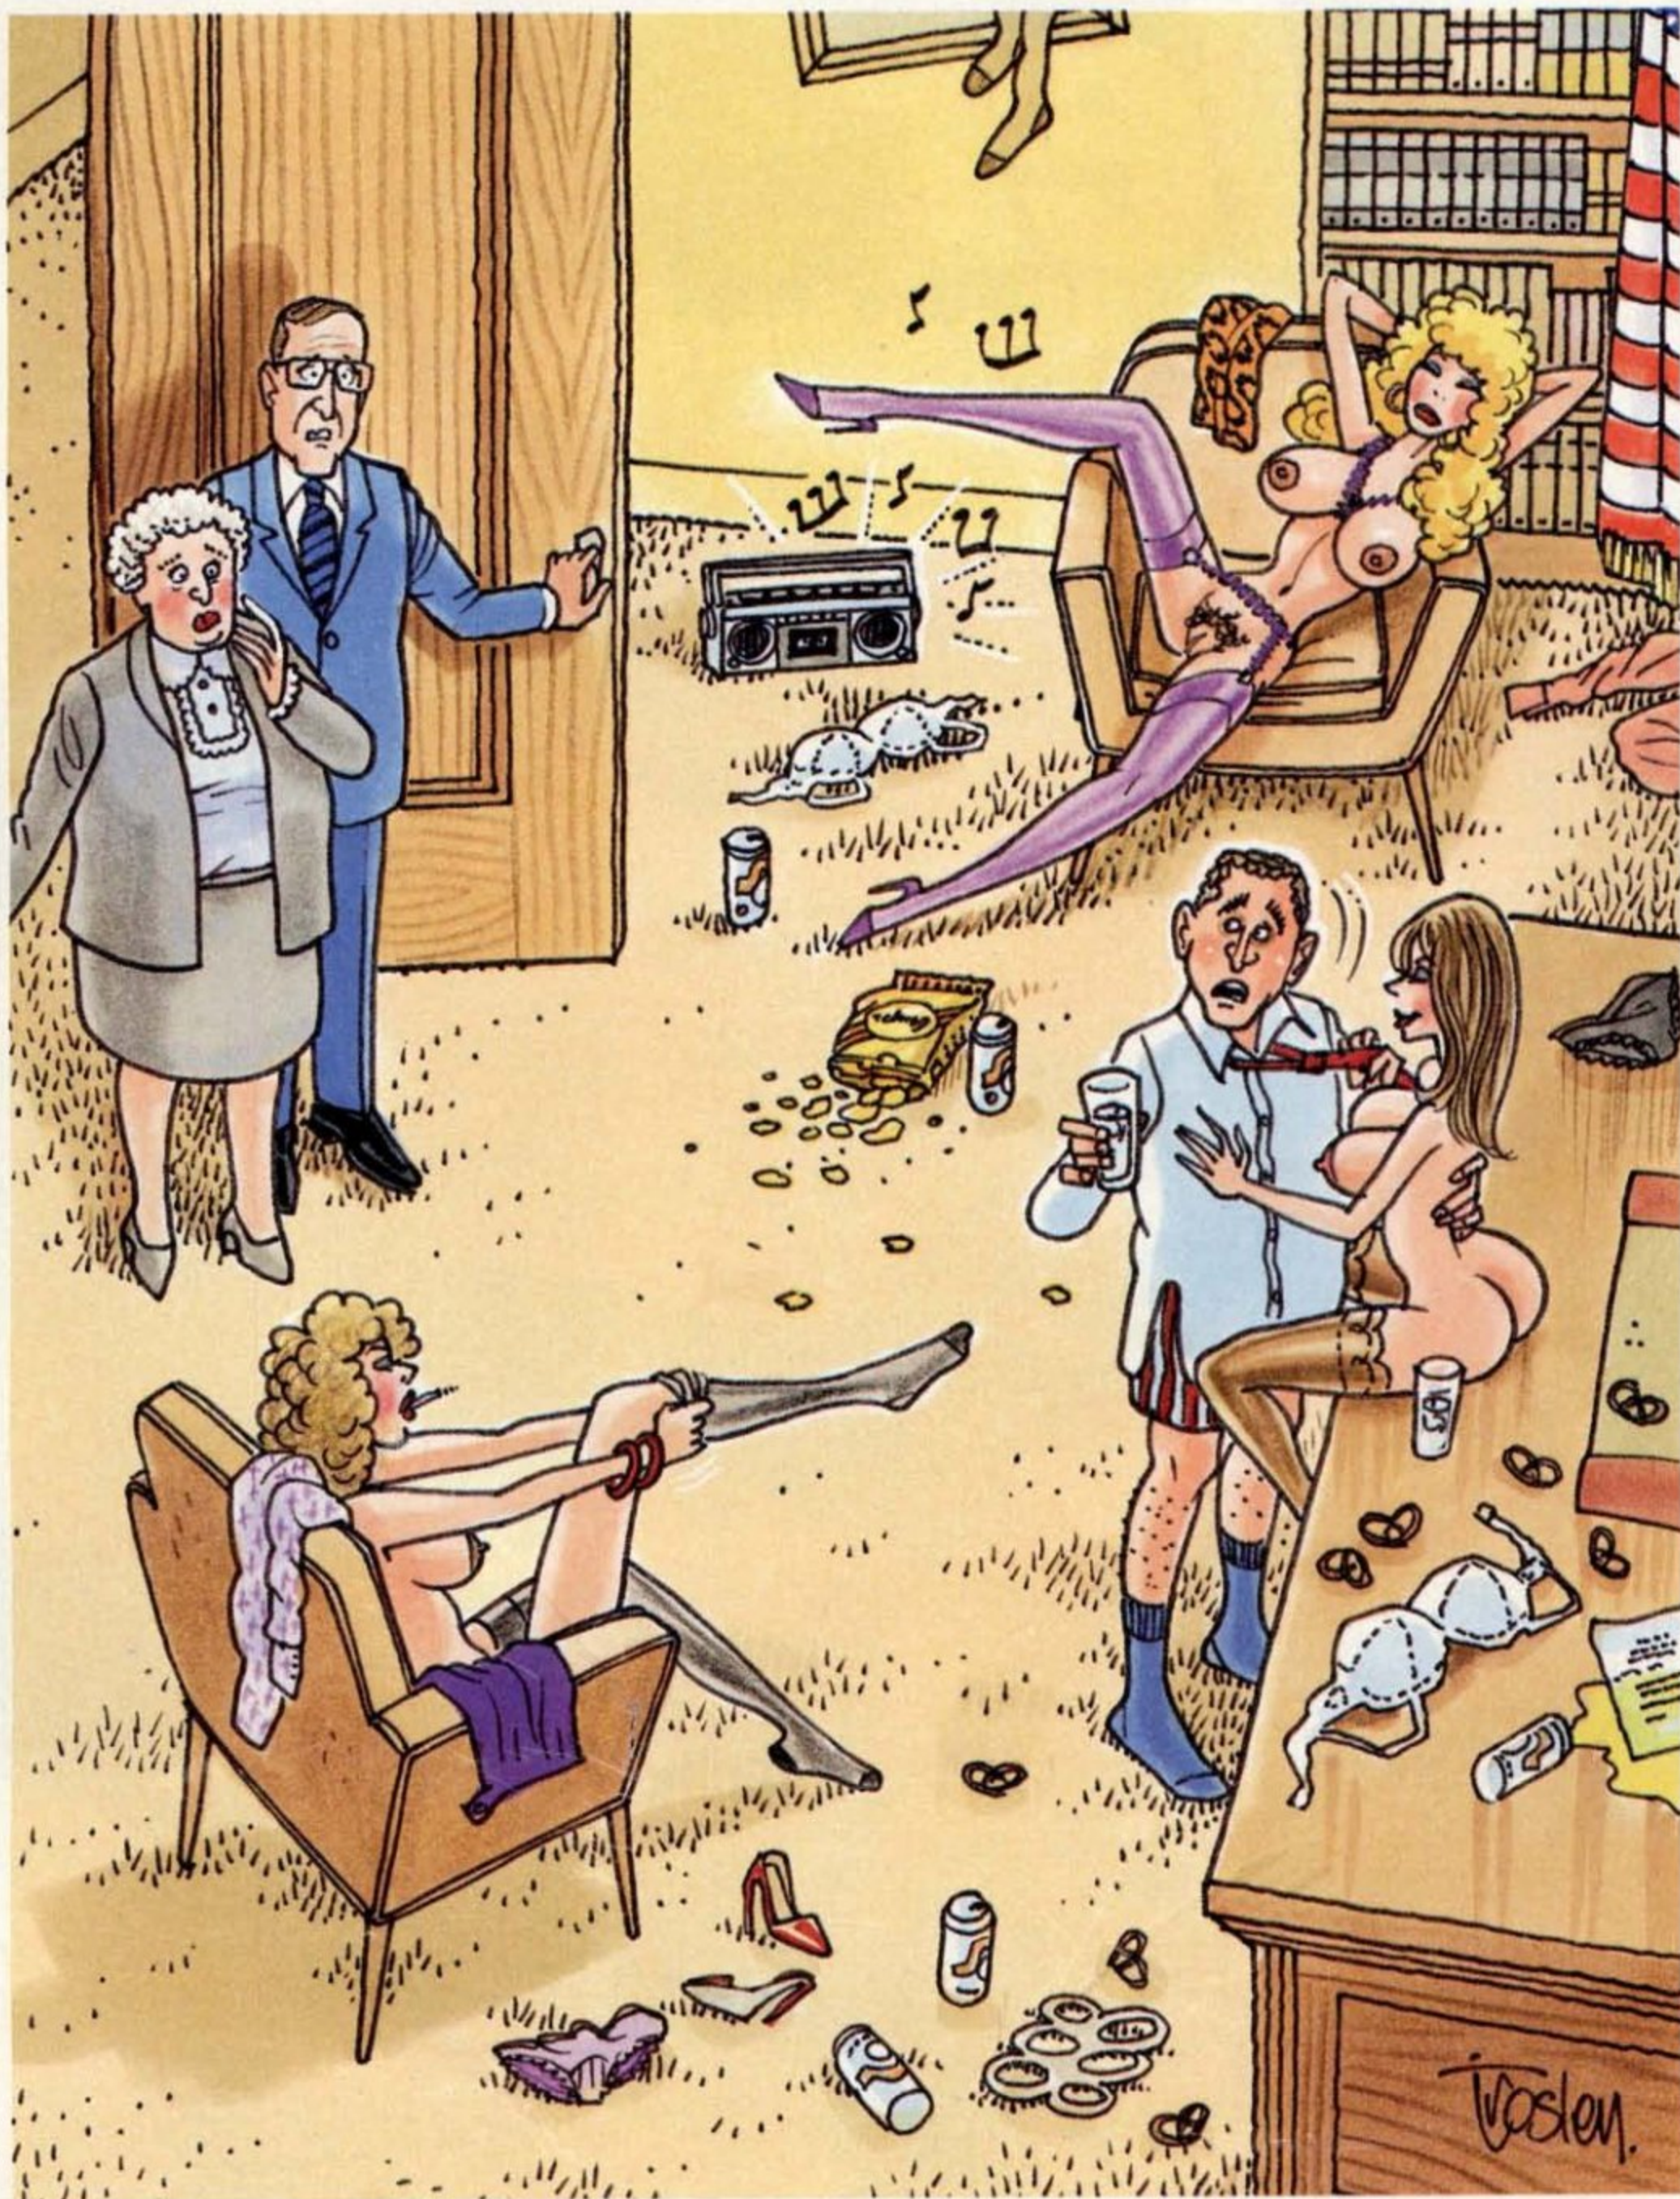

"The first client that came to me asked, 'What can I do to avoid a fight?'" Cambria says.

The attorney ran down a list of the kinds of sex tapes that he had seen targeted most often in his 25 years of trial experience. Cambria's words were subsequently circulated in memo form around a number of big-time smut factories and found their way onto Internet gossip columns, where the guidelines became the

(continued from page 68) centerpiece of an industrywide panic. Somewhere along the line, the list of cautions morphed into prohibitions. "The Cambria List" reads like a perverted update of the Ten Commandments, with "Thou shalt not" replaced by a simple "No":

*No appearance of pain or degradation*

*No bukkake*

*No blindfolds*

*No hands from two different people fingering the same girl*

*No black man, white woman*

*No forced sex, rape themes*

In response to the litany of fringe-sex practices, which climaxes with "No bestiality," some porn insiders complained that the industry had capitulated without a fight. Others interpret the Cambria List as a ploy engineered by vanilla-sex impresarios to homogenize the content of dirty movies and win back market share from harder-edged, gonzo-film makers.

Some African-American porn stars, especially those appearing in interracial films, see their livelihood threatened by the new guidelines. Mr. Marcus, a prominent black woodsman, was outraged by a memo handed down by his employer, Vivid Video, proscribing "black man, white woman" movies.

"They panicked," says Marcus, who sees race-based discrimination written all over the document and is mulling a class-action lawsuit. "I'm disappointed."

Cambria insists that his list of sex topics is no more than a simple blueprint of prosecutorial trends.

"Am I nuts, or what?" Cambria asks. "The so-called Cambria List is a list of

what's going to be prosecuted, if there are prosecutions. I never said that I thought any of this stuff was obscene; I never said that no one should do it; and I never said that it can't be defended successfully."

Cambria has confidence in the power of the First Amendment, but at VCA, Russ Hampshire isn't taking any chances.

He freely admits to preemptively cutting back production of his gonzo line, VCA Xplicit, and taming his box covers in response to the Bush Presidency.

"I don't look forward to going to jail again," Hampshire says. "I just take as many precautions as I can; so in case they do go looking, hopefully, they'll pass me by. I just hope they leave us all alone."

HUSTLER Publisher Larry Flynt is widely admired inside and out of the adult-film industry as both a XXX pioneer and a free-speech champion. Flynt's crusade was based on fiercely held principles, but it was also a calculated business decision—he traded an obscenity bust for a household name.

"Larry wanted to get prosecuted, and he got his wish," says Cambria, who defended Flynt in some of his earliest lawsuits. "He turned it into gold."

On the floor at the AVN Adult Expo, Flynt is a Horatio Alger-like figure to up-and-coming porn entrepreneurs, such as John Haltom, namesake and proprietor of Dr. John's Lingerie and Novelty Boutique, a fledgling adult-video franchise with three branches in two states.

"I'm hoping to be the next Larry Flynt," says Haltom, who is quickly racking up a rap sheet as a free-speech poster boy. In the past 12 months, he has been nailed seven times for selling obscene materials, running up a \$150,000 legal tab in the process. Haltom is currently appealing a 16-month prison sentence for a bust in Omaha, Nebraska.

"I made a promise to the people of Omaha that no matter what happens, that store will stay open," Haltom says. "Larry Flynt fought for our rights, and now someone's got to take it another step forward. I want to fight the fight."

Haltom, who sounds like a politician stumping for office, has deliberately opened stores in porn-intolerant locales: Omaha, Salt Lake City and Midvale, Utah. (He also has plans to set up shop in a yet-to-be-determined location in Oklahoma.) "We go places where adult freedom of speech is suppressed," the smut crusader says.

If Haltom is spoiling for a court battle, he couldn't have chosen a better state than Utah, which recently appointed its first "porn czar," Paula Houston, to stamp out obscenity.

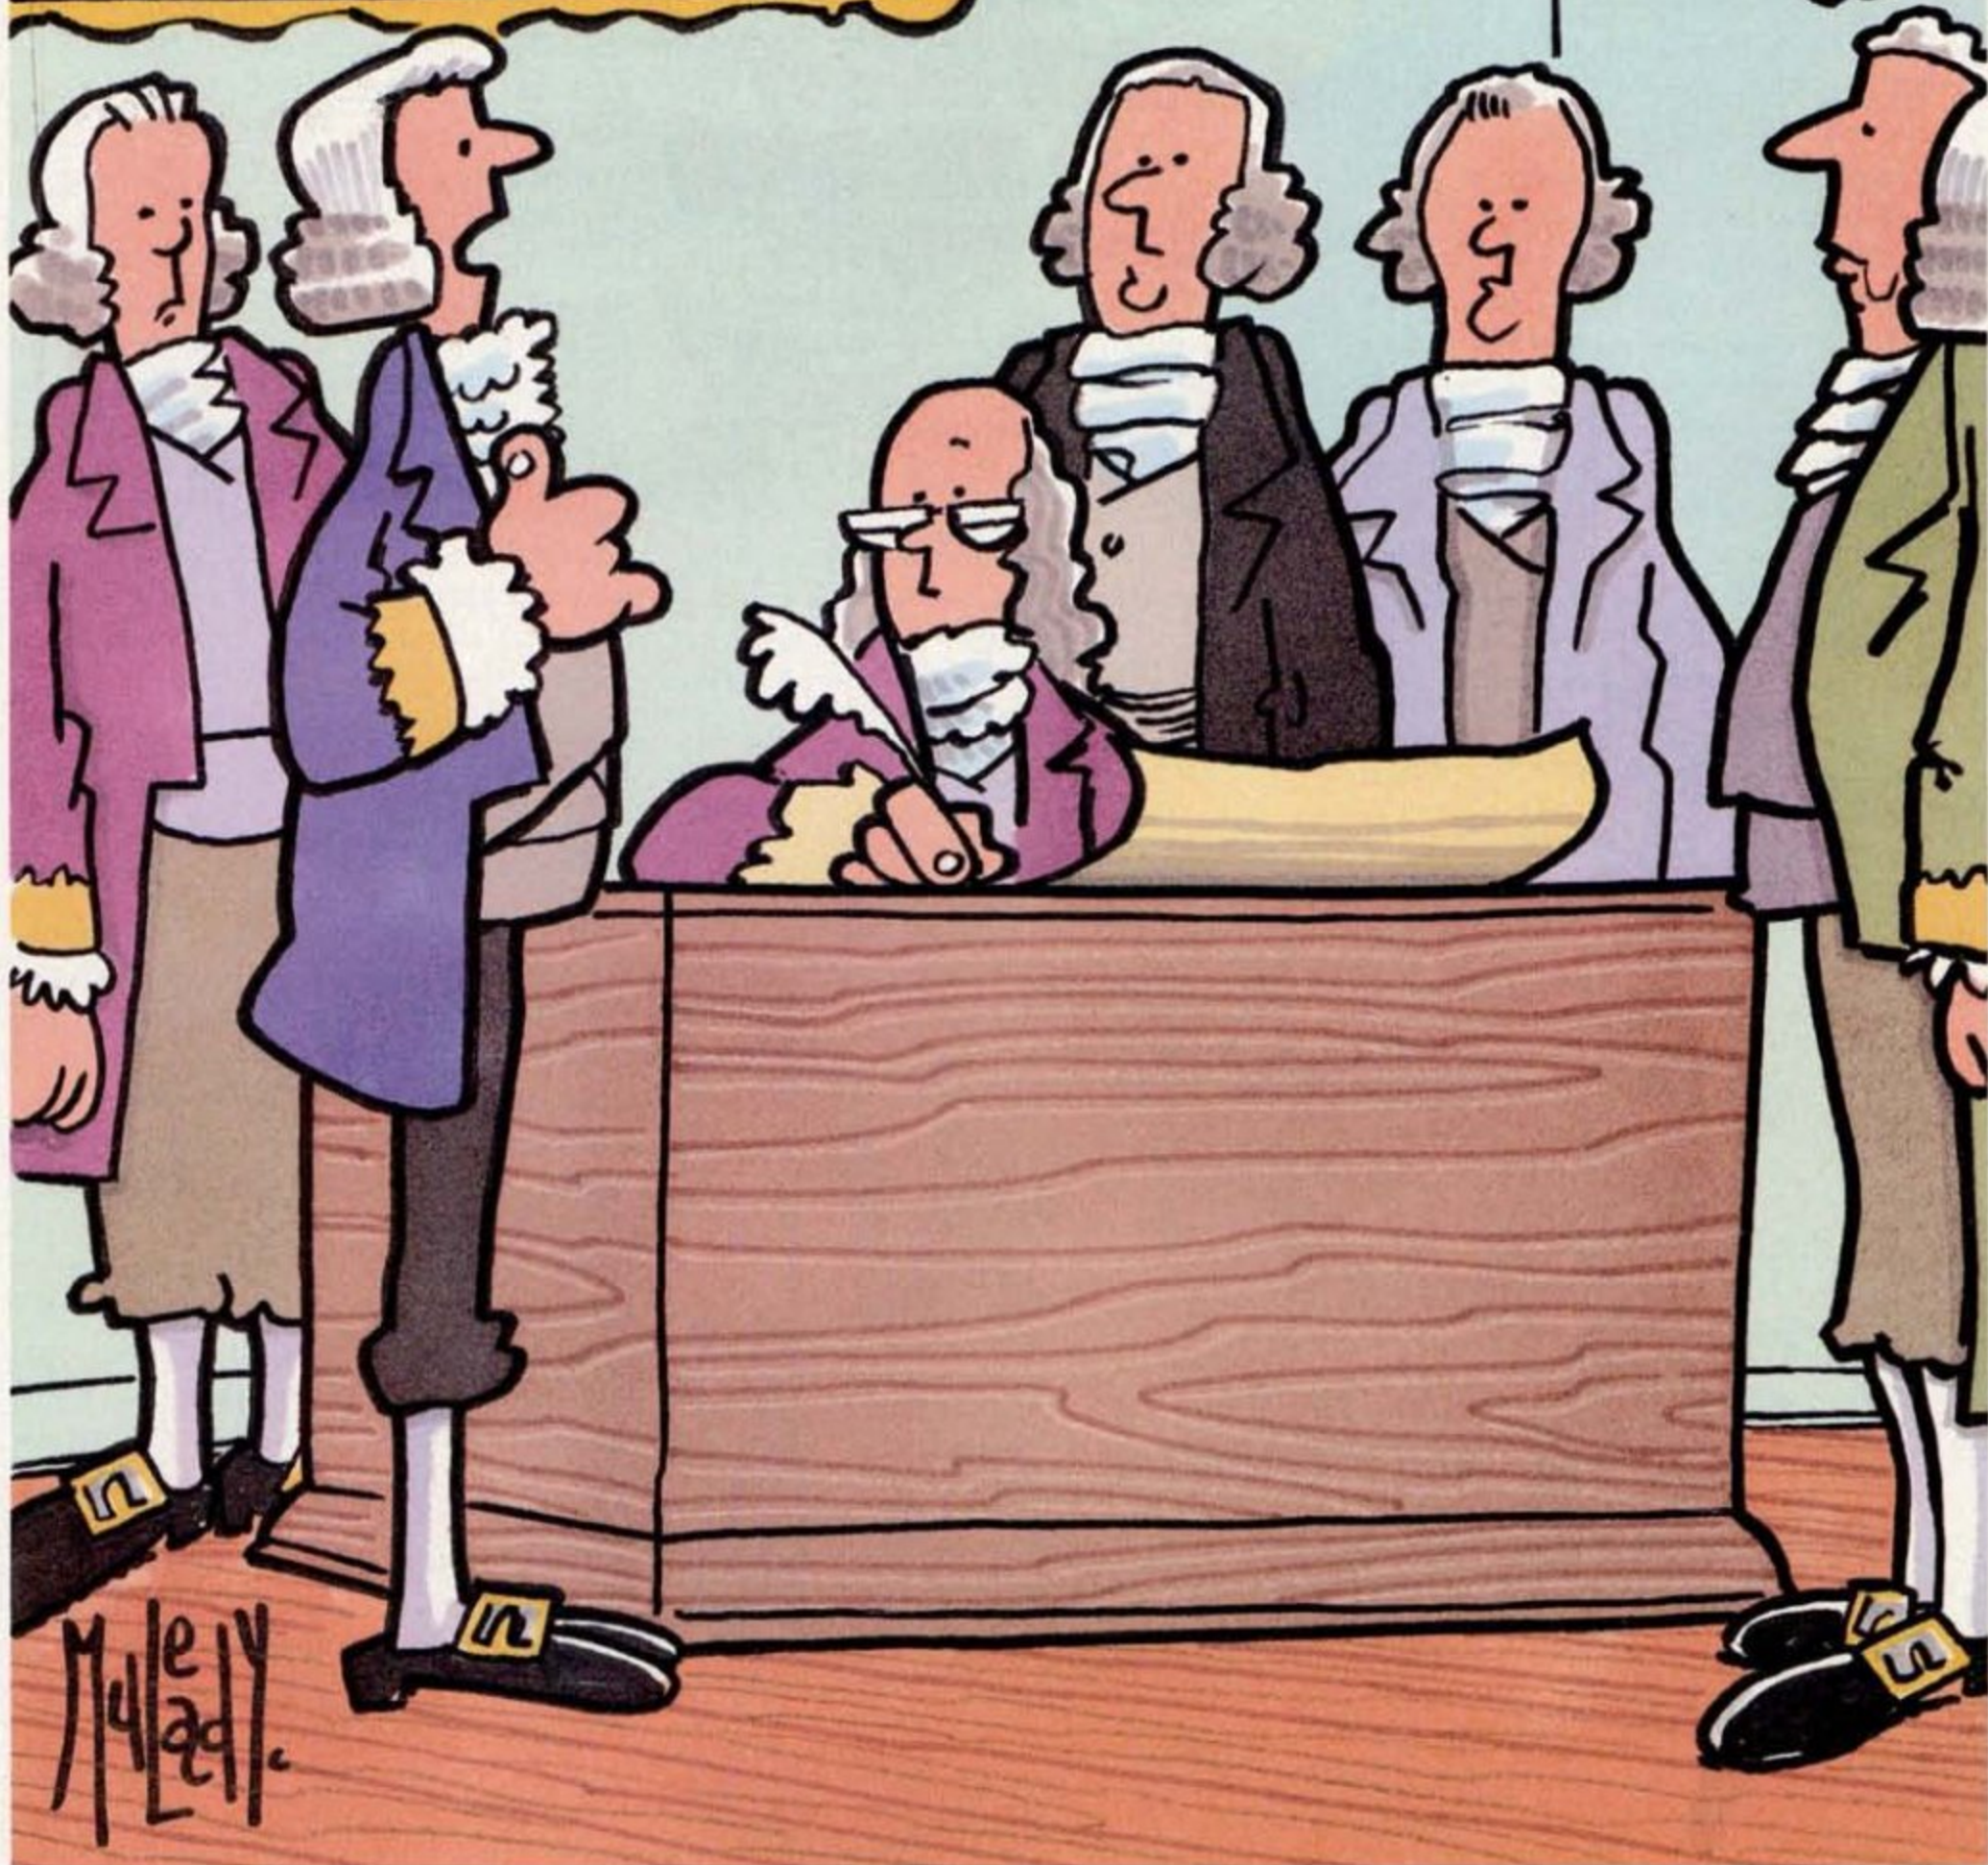

On a national scale, Houston may have an analogue in the person of George W. Bush's attorney general, John Ashcroft. The former governor of Missouri is a disciple of the Pentecostal Assemblies of God, a sect that warns in its Statement of Faith that

"Go to sleep, Johnny, or the homosexuals under your bed will anally rape you with their barblake penises."

it wholeheartedly denounces "sexual perversion" and "pornography." Also verboten are "Satanism" and "divination in any form." On the other hand, the killjoy crusaders encourage "speaking in tongues." Ashcroft has already intimated that an aggressive prosecutorial attack on pornography may be in the works.

Back in Vegas, Guns n' Roses' "Sweet Child o' Mine" blares from a boom box at the Extreme Associates booth, a graffiti-scarred cubicle surrounded by a black-steel trellis. The structure is inhabited by inked, pierced staffers and porn starlets who flash their tits and toss DVDs and T-shirts to a hooting crowd. Overhead, four television sets air Extreme's latest blow to decency, *In the Days of Whore*. In the video, a blond starlet with angelic features is gang-fucked in a church. A group of monks wearing hooded, brown-wool surplices ritually ejaculates on her face and force-feeds her a semen-coated crucifix. After a parting cum-shot, she is beheaded.

A door in the back of the Extreme booth leads to a cramped inner room, where Rob Black sits at a cluttered, glass-topped table with his business partner, veteran porn performer Tom

Byron, along with Lizzy Borden and director Tom Zupko, the responsible party behind *In the Days of Whore*. Their names are scrawled in black on the walls, which burn with the red, spray-painted flames of hell.

Asked to account for Extreme Associates' controversial style of adult-video making, Black shrugs.

**"People are thinking, 'Dude, the fucking stock market is in the toilet, you've got a recession coming, and you're going after a fucking porno guy?'"**

"We don't know how to do anything else," he says.

Tom Zupko says the inspiration for *In the Days of Whore* came from his childhood in Pittston, Pennsylvania.

"Everything was based on my Roman Catholic upbringing," says Zupko.

Lizzy Borden, also raised a strict Roman Catholic, says her vision for the

*Forced Entry* series is related to her "fucked-up childhood."

As for Rob Black, he inherited pornography from his father, Dominic Black, who owned State Street Books, and was reportedly busted 105 times for obscenity.

"Most kids look at a Victoria's Secret catalogue and they're fucking getting a hard-on because the girls are scantily clad," Black says. "When you've been exposed to pornography since you were a kid, you're like, 'What the fuck is that? Why don't you get her sucking a dick?'"

Black knows that doing what comes naturally may run him and his cohorts at Extreme afoul of George W. Bush, but he's not planning any changes.

"Here we are in the year 2001," Black says. "People are thinking, 'Dude, the fucking stock market is in the toilet, you've got a recession coming, and you're going after a fucking porno guy? For making a movie?'"

Black, a candidate in Los Angeles's upcoming mayoral election, is interrupted by a loud noise. *Braaaaaap*. The fiberglass walls of the cubicle vibrate.

Workers are tearing long strips of duct tape from the corners of the booth. The AVN Adult Expo is over. Everywhere, workers dismantle booths and roll up red carpets to make way for the next convention, the annual meeting of the Safari Club International, which George Bush Sr. is scheduled to attend.

"If we get busted, we get busted," Black concludes. "We'll fight it."

If George W. Bush launches a smut war on behalf of his right-wing Christian backers, he may have to face down the same insult Bill Clinton tossed at George Sr.: "It's the economy, stupid." The pornography industry generates an estimated \$10 billion in annual revenues, with \$4 billion of that coming from skin flicks. Some 711 million hard-core porn rentals were logged by the nation's approximately 25,000 adult-video outlets in 2000. Even the likes of AT&T, which carries the X-rated Hot Network via its cable division, has joined the porn economy.

Dollars may serve as a gauge of the will of the people, but the final arbiters of the struggle between Christian repression and pornographic expression will be the courts. If the results of the November election—which Bush "won," 5 votes to 4, before the Supreme Court—are any indication, the new President will put his faith in the teetering scales of justice. ☪

**E**very morning at his new home in New York, Bill Clinton would take a jog in the park. Each day he passed a hooker on a particular street corner and, as he ran by, she shouted, "50 dollars!" The ex-President would jokingly reply, "No, five dollars!"

One day, Senator Hillary decided to go jogging with Bill. As they approached the street corner, Bill suddenly realized that the hooker would bark out her \$50 offer and that he would have some explaining to do with the former First Lady. As they turned the corner, Bill still didn't know what to do.

Sure enough, there strolled the hooker. The street-walker clucked as Bill and Hillary jogged by and yelled, "See what you get for five dollars?"

His mother made no reply. The guy was about to repeat himself when she turned away from the pot she was stirring and said calmly, "You're gay—doesn't that mean you put other men's penises in your mouth?"

Answer: They have no balls to scratch.

**A** cop was walking down the street when he noticed a beautiful blonde with her blouse undone. As she came closer, he saw that one of her enormous breasts was hanging out. The officer stopped the blonde and warned her that she could be arrested for indecent exposure. The blonde looked down at her shirt and screamed, "Crap! I left the baby on the bus again!"

**A** girl was standing at the gates of heaven when she heard horrible screams of pain and torture coming from inside.

"What's going on?" she asked St. Peter.

"That's the sound of new angels having big holes drilled into their backs for their wings, and small holes drilled into their heads for their halos," he replied.

"Heaven sounds terrible," gasped the girl. "I think maybe I'd rather go to hell."

St. Peter said, "In hell, you'll be constantly raped and sodomized."

"That's okay. I already have holes for that," she said.

*Excerpted from the hilarious,  
unpublished memoir, Diary of a Sociopath.*

**I**t was late. My father was on his way home from work, and we had not been getting along at all. I hated his guts, and he hated mine, and we both tried our best to not say shit to each other.

My stomach sank when I heard his car pull into the driveway. The front door slammed shut, and all was quiet for about 30 seconds. Finally, the asshole erupted.

"Who the fuck broke the fucking

screen door?" he bellowed.

*Oh shit, here we go.* The ol' man was in my room, in my face, stinking of beer, ranting about the fucking door. The slob made me sick—his fat gut stuck out a good half a foot from his pants. *Fat fuck*, I thought to myself. I didn't dare say those words aloud.

"I don't think I like your attitude, asshole," my dad spat. His beer breath repelled me. I looked him right in the eye and spat back, "So?" ➤

# Private Asshole

That was all it took; Dad hauled back and swung a haymaker at me that Ray Charles could have seen coming all the way from fucking New York. Without thought, I caught the punch and belted the tub of lard right in the solar plexus. The momentum of the direct hit knocked him out the glass double-doors and into the front garden.

I walked out into the night, surging with an almost orgasmic feeling of having cracked the motherfucker after so many years of eating whatever shit he threw at me. I was half-elated—no longer could my dad just whup my ass out of boredom. At the same time, I felt like I'd just kicked myself in the balls—he was my father. I cried, thinking, *There was a time when I looked up to that drunken lunatic.* The younger dog had a bigger bite now. I felt sick and lost.

Beating my father's ass made me feel like something in my life had to change. I was 18 years old. I'd spent my hell-raising youth in and out of reform school. Now was the time for me to take charge of my life. I walked into a Marine Corps recruiting station in Long Beach, California, and plunked myself down in front of a clean-cut recruiter decked out in dress blues. He looked respectable,

disciplined—exactly what I was after. I signed my life away on the spot.

Next thing I knew, I was on a bus full of jerkoffs just like me, pulling into the Marine Corps Recruitment Depot at Camp Pendleton, California. A drill instructor (DI in the acronym-happy armed forces) in a Smokey-the-Bear hat glowered at us from the parade deck.

**"Look at this fucking mob they sent me," the drill sergeant raved.**

**"You pieces of shit are no longer fucking human beings, do you understand me?"**

When the bus door opened, we were met by a barrage of insults.

"Get off that bus, you slimy, filthy pieces of shit, and line up on the yellow footprints," the DI shouted. "Now!"

*Did he have to fucking yell like that?* I thought. Everyone piled off the bus and stepped into the yellow outlines of feet that were painted on the asphalt.

"Stand at attention, you pieces of shit," the asshole-in-charge commanded. Everyone stood at what they thought attention was supposed to look like—stomachs sucked in, chins in the air.

"Look at this fucking mob they sent me," the drill sergeant raved. I stood there thinking, *This guy is some fucking asshole.* "You pieces of shit are no longer fucking human beings, do you understand me?"

Some of the recruits responded with a pitiful "Yes, sir!"

I was like, *Yeah, right.*

I was about to find out that if any of us thought we were human beings before we decided to join the Marines, those days were now over. Immediately, the group was subjected to an hour of brutal calisthenics that left half the platoon puking. Next, we were marched into the barracks for haircuts.

I had really long hair at the time—it made me look okay. The barber's clippers burned trails across my skull; fucking redneck bumpkin fuck seemed to enjoy shearing us longhairs. When the butcher was done scraping huge clumps of hair from my head, I glanced in a mirror. I looked like a total fucking moron. I already regretted my decision to enlist.

The senior drill instructor seemed to be reading my mind. "If any one of you dirtbags decide you're going to go AWOL, understand this: You are now property of the United States government," he warned. "You don't have a life. The Marine Corps owns your ass. And you *will* be court-martialed. Anyone want to go AWOL?"

"Sir, no, sir!" was the deafening response.

I wanted to raise my hand, but I didn't. Instead, I submitted to another 22 hours of abuse, indoctrination and basic processing before I was finally allowed to crash out in my assigned bunk. *When the fuck do we get guns?* I wondered. I fell asleep the second my head hit my Marine Corps-issued pillow.

The next morning, a loudspeaker exploded, blasting reveille—*Da da da-da-da, da da da-da-da, da da da-da-da DA, da.*

*Fucking shut that thing off,* I thought. I closed my eyes and tried to ignore the bone-jarring noise. I was drifting back asleep in spite of the racket when my legs went airborne, up and over my head, and I was yanked, along with my blankets and sheets, onto the cold, concrete floor.

"Get the fuck on your feet, Private, before I kick the shit out of you!" The

senior drill sergeant was hovering over me. I shot up into a semblance of attention. Too late, I realized I was sporting morning wood. *Oh, fuck.* My hard-on stood straight out as if my dick was at attention too.

"What the fuck is that?" the DI shouted. His wide-brimmed hat poked me in the face. "Do you want to fuck me, Private?"

"Sir, no, sir," I screamed.

"Are you sure of that? You look like a fucking fag to me. Get on your face and give me 25."

The DI lectured me while I did push-ups.

"Private Guyer, this ain't no fucking country club," he barked in a somewhat gentler voice. "The next time you hear reveille, you'll fire your ass out of that bed like there's some pussy waiting for you. You understand me? Now get dressed."

I thought the tirade had ended, but the drill sergeant was still one pissed-off motherfucker.

"Faster, faster," he shouted. "What if someone was shooting at your fat ass? Then you'd move faster. Do you understand me, fat boy?"

Yes, sir, you cocksucker, I thought.

From that first morning on, I fucked

up badly and often, and my superiors seemed to enjoy making me pay. My lousy attitude collided with the drill instructor's overly narrow sense of right and wrong. I was known as *shitbird*, *fat body* and an all-around *unworthy piece of shit*. It was unanimous that I was "the asshole of the platoon." The DIs promised me I would never last in their

Marine Corps. *Fucking good*, I thought. *I don't want to last.*

Miraculously, I went on to finish boot camp. It took me 16 weeks when it was supposed to take 11, but graduation was still one of the proudest moments of my life. My mom and dad came to the ceremony and watched me march in formation with my jarhead brothers-in-arms

under a cloudless sky. It was a beautiful day, and I cried openly, I was so proud of myself. I thought, *Maybe, just once, I can be normal, and my family will love me and be proud of me, and everything will be good from now on.* It was a great day.

\* \* \*

After graduation, I was given 30 days' leave before I had to report for active duty—not nearly long enough. I was at home in Long Beach, chilling out with my folks, and I just wanted to stay there and be a kid. I didn't want to go back to Camp Pendleton, but I had no choice. My ass belonged to the U.S. Marines.

I was assigned to a fucking warehouse. My senior NCO (noncommissioned officer), Staff Sergeant Jackoff, was a complete dickhead who hated my guts. Even the guys I was in boot camp with agreed that I was unsuitable for military service. Yup, that's me. To prove them right, I smoked PCP joints every chance I could. (Back in the 1970s, scoring drugs on base was as easy as a Vietnamese whore.)

One time, I dropped a tab of LSD and spaced out on the lawn in front of the company commander's office. The barracks, the sun and the asphalt were breathing heavily in the heat. I fixated on a metal staircase that swung in and out as if it was made of taffy. I was frying like an egg in the sun for what must have been an hour when my tour of duty in psychedelia was interrupted by a voice.

"Private Guyer, what the fuck are you doing?" That was a question I used to be asked all the time.

"Huh?" I grunted reflexively.

"On your feet, you worthless fucking scum." I knew that voice. It was the senior drill sergeant; his Smokey-the-Bear hat was a blaze of spinning colors. His eyebrows were knit in an expression of fury and outright disbelief. This was not good.

"What the fuck does that sign say, asshole?" he hollered.

"Huh?"

"Private Guyer!"

"Here, sir."

"Read that sign, you idiot."

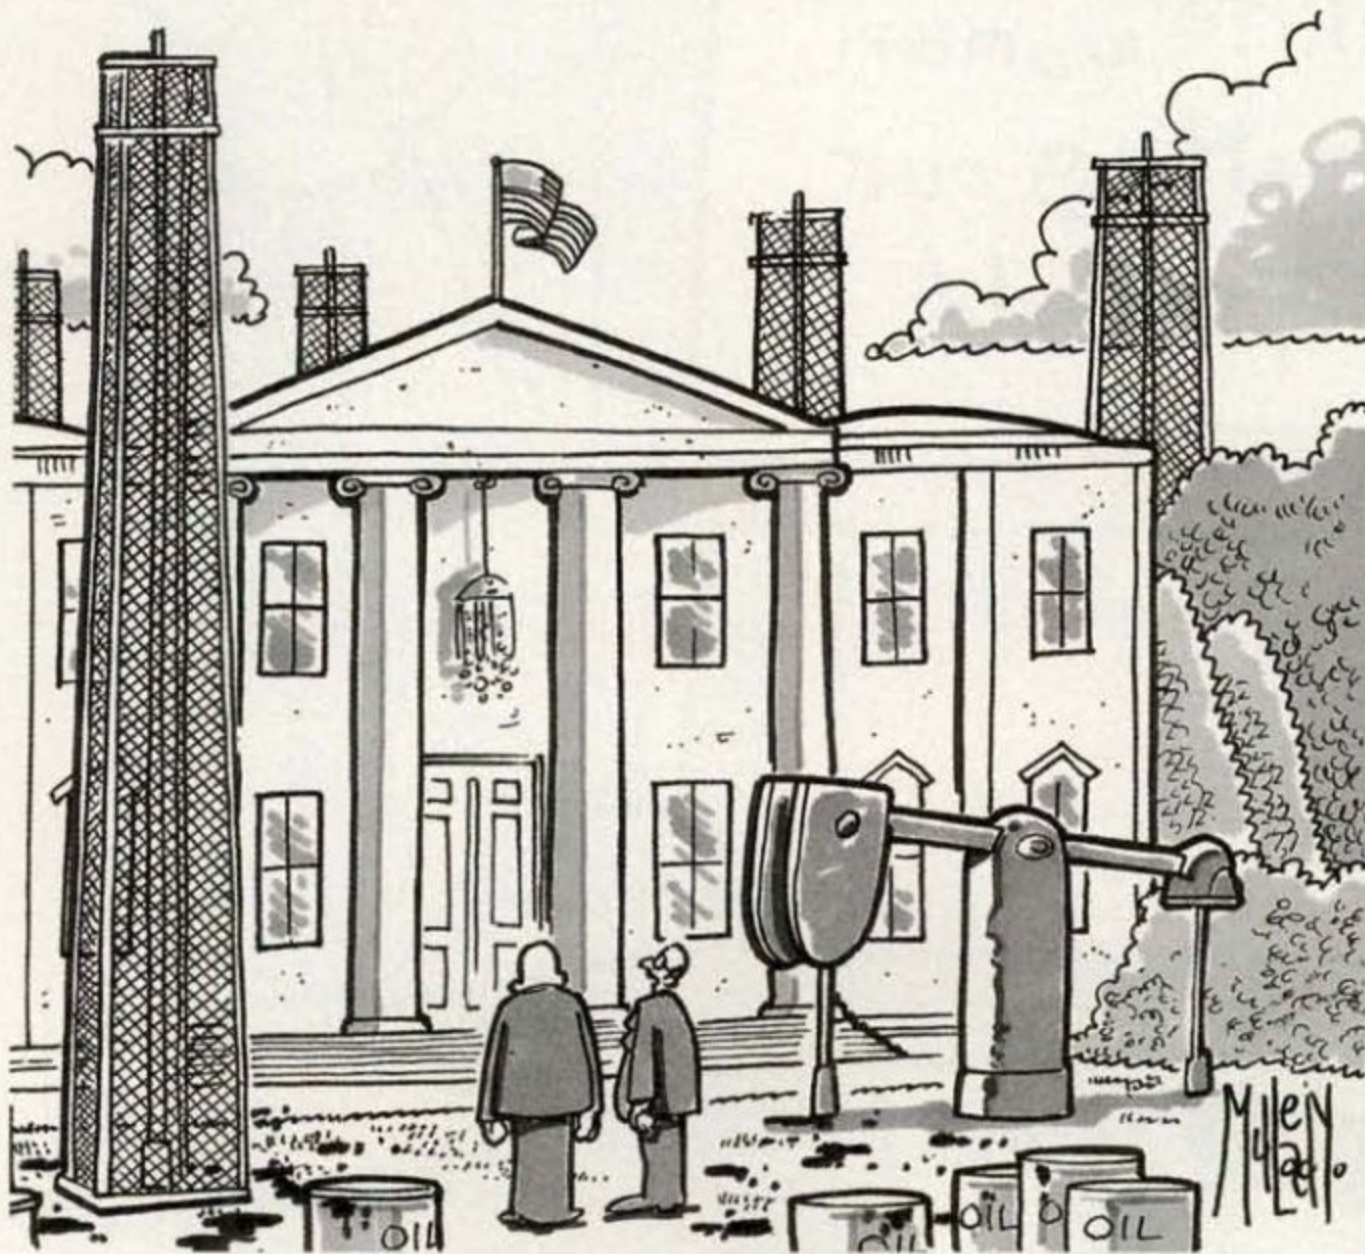

I turned and looked behind me. I was leaning on a NO PARKING sign that swayed and bobbed like a buoy. Tracers flecked my frame of reference. "What sign?" I said. "I can't read it, Sergeant."

The DI's eyes bugged out in amazement.

"That sign, you fucking moron."

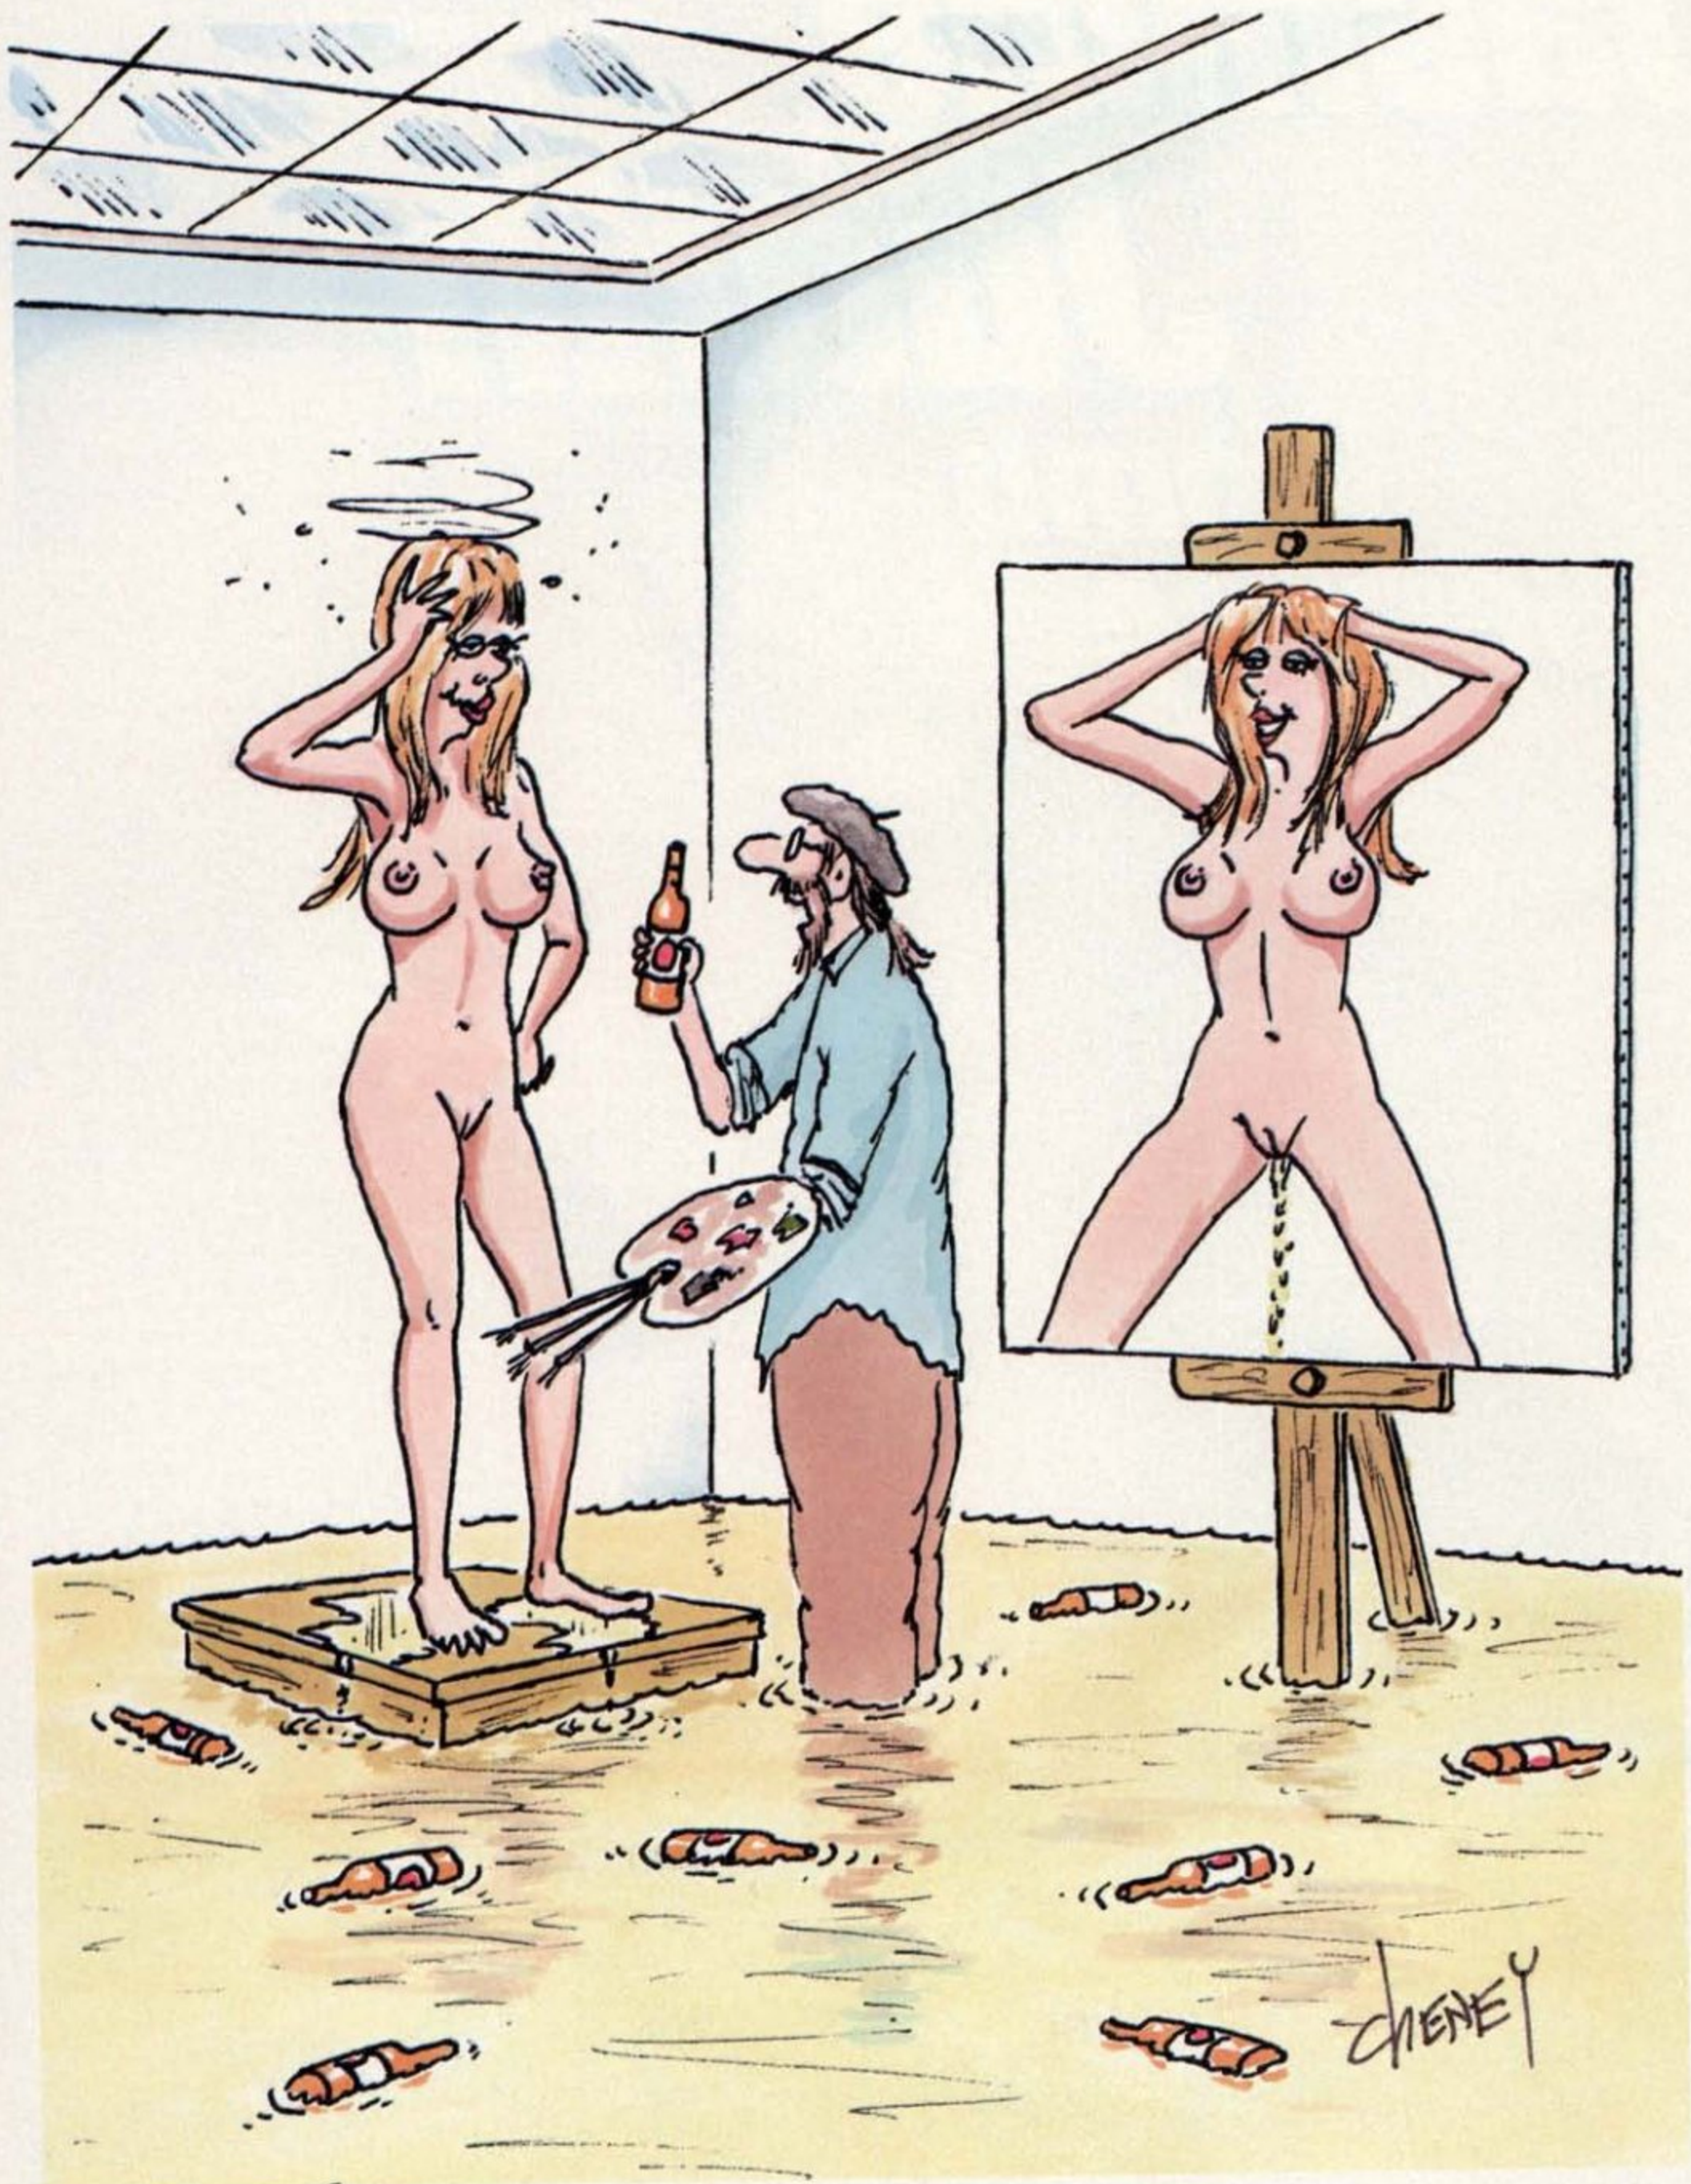

"No parking," Sergeant, I finally stammered.

"Then what the (continued on page 108)

"Huh? Oh, I get it." I started to laugh uncontrollably, pissing him off even more. I didn't care.

\* \* \*

The first time I went absent without leave was with my friend Mitch, a fellow fuckup from way back. Together, we hatched a plan to go to Oregon, where Mitch's brother lived. I'd ditch the Marine Corps; Mitch would quit sitting on his ass getting stoned and drinking cheap beer. We'd head up to Oregon and never go back.

One afternoon, me and Mitch cased a big auto dealership in Long Beach and swiped the keys to a black, custom Dodge van with captain's chairs up front, a CB radio, portholes and a plush, black interior. We could live in the thing if we had to. The van was ours.

That night, the lot was dead, and the streets were so quiet we could hear the buzz of electricity from the fluorescent lights that illuminated the gleaming rows of new cars. I let myself into the van with the stolen keys and climbed behind the wheel. I took a whiff of the new-car smell with relish. My pulse was roaring; I could almost hear my heart. The engine rumbled to life; Mitch

grabbed a crowbar from the van's spare-tire kit and pried at the chain that ran the length of the lot's driveway. A grimace was etched across Mitch's face as he strained. The chain finally snapped, and he fell back on his bony ass.

"Get in, motherfucker," I screamed. The door slammed shut, and I punched

the accelerator. We bounded over the parking restraints and bounced hard on the sidewalk. The tires squealed. I turned on the lights, and we were on the road.

Me and Mitch dine-and-dashed and gas-and-dashed all the way to Oregon. When we finally hooked up with Mitch's brother about a week later, he let us stay

with him for one night; then we were kind of kicked out.

Without a Plan B, we went to a grocery store, stole all the food we could stuff under our coats—a major score—and found a beautiful spot in the woods to spend the night. We ate like pigs, drank like fish and fell fast asleep in the back of the van.

When I woke up, bright lights were flashing in my eyes. I could hear the crackle of police radios. I opened the door and felt a cold piece of steel sticking me in the face. Me and Mitch were cuffed and stuffed. Grand theft auto.

Lucky for me, I was officially AWOL from the Marines; so I was promptly sprung from the cooler by "chasers"—Marine Corps cop types. I was escorted to Camp Pendleton, where I was placed in the Correctional Custody Platoon (CCP), which amounted to remedial boot camp for fuckups. It was "Yes, sir; no, sir," the same old fucking shit—and this time, I really wasn't in the mood. The CCP platoon higher-ups made sure to exercise the shit out of us misfits. I knew I had to find my way out of this fucked-up situation.

Inspiration struck one day when the CCP was being marched out of the second-floor squad bay for an hour of push-up hell in the yard. On the way downstairs, I thought, *Fuck it. Do it.* I skipped a step and rolled on my fucking head all the way down to the first floor. I wound up in the base hospital, hooked up to an IV.

Two fucking days later, a chaser was already yanking me out of my comfortable bed and piling me into his jeep. I was going back to the fucking CCP.

Luckily, the MP escort forgot to pick up my military ID. He spanked a U-turn, pulled up in front of the hospital and put the van in park.

"Do I need to worry about you?" he asked.

"No, sir!" I replied. The dope left me in the van, uncuffed and quite able to simply walk away. I couldn't believe my eyes. However, I still had a hospital robe on, with green pajamas underneath. *Fuck it,* I thought. I watched the chaser disappear into the hospital, waited about 30 seconds, then followed his footsteps.

Fortunately, the place had a PX in the lobby. I snatched a pair of jeans and a shirt, and headed for a dressing room. A saleswoman greeted me.

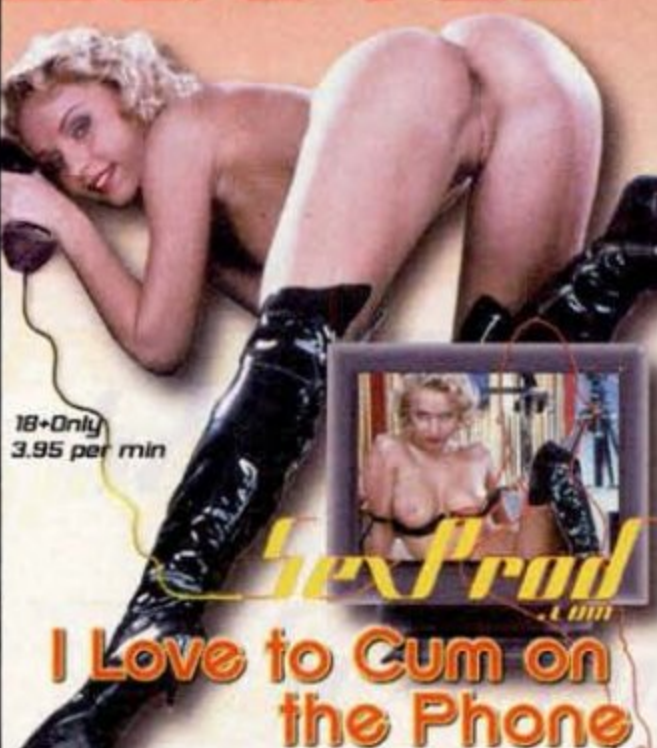

"Is there anything I can help you with?" she asked.

"I'll let you know," I said, and ducked behind the (continued on page 118)

# Private Asshole

(continued from page 108) partition. While the chick yakked away on the phone, I stripped off my hospital garb, pulled on the fenced threads, pushed open the swinging door, made two sharp rights and was on my way to another great escape. *Fuck those assholes*, I thought. It was great.

The only problem was finding my way off the base. MPs check the ID of every person who goes in or out of Camp Pendleton; they would have busted me for sure. I ran around the base for five hours, then turned myself in to the officer on duty at my old platoon. I was charged with going AWOL for a second time, which pretty much guaranteed me a six and a kick—six months in the brig and a dishonorable discharge.

Staff Sergeant Jackoff was set to press charges before Major Murray, the company commander, in a disciplinary hearing. I could tell that Jackoff was savoring the pending crucifixion.

Major Murray, by contrast, was a cool guy. He was 6-4, a real Marine among a bunch of jackoffs. I showed him the utmost courtesy—"Yes, sir! No, sir!" the whole way.

When the time came for my accuser to brief Murray about the case against

me, his face turned red and he began to frantically shuffle his papers.

"Sir, we can't seem to find the charge sheet right this second," Jackoff stammered. "Sir, if you'll just give us a minute."

Without the formal charge sheet, Jackoff was fucked—there was no case. I stood there at parade rest, taking in the

anarchy around me. *God is with me!* I thought.

My asshole commanding officer never found the piece of paper. "No orders disobeyed," Major Murray concluded. I got away with everything. Sergeant Jackoff almost shit his pants. It was glorious. On the other hand, after having perpetrated enough extracurric-

ular activity to have Abe Lincoln tossed out of the Corps, I was still a Marine.

\* \* \*

This time, the powers that be placed me in a company led by Sergeant Psychopath, a Vietnam veteran and a sixth-degree black belt who was rumored to have once ordered his men to beat a private to death with pugil sticks just because the soldier refused to fight. Something told me I might be his next victim.

I was alone on a security detail when Sergeant Psychopath's voice blasted over the loudspeaker. "Private Guyer, report to my office."

I sprinted through the corridors of the barracks and planted myself in front of Psycho's desk. I was scared shitless.

"Someone stole some shit out of one of the private's footlockers today, Private Guyer," the Sergeant said. "Do you know anything about this, you piece of shit?"

"Sir, no, sir," I said. I had no idea what he was talking about; I had been in this platoon for less than a day.

"I bet you do. You look like a fucking thief to me," he screamed, leaning into me until we were eyeball-to-eyeball. "Are you a thief, Private Guyer?"

"No, sir," I responded, sounding pissed off.

"Do you like me, Private Guyer?"

"Sir, yes, sir," I lied.

"Oh, then you want to fuck me, huh, Private Guyer?"

"Sir, no, sir," I shouted.

"You want to punch me, don't you, Private Piece of Shit?"

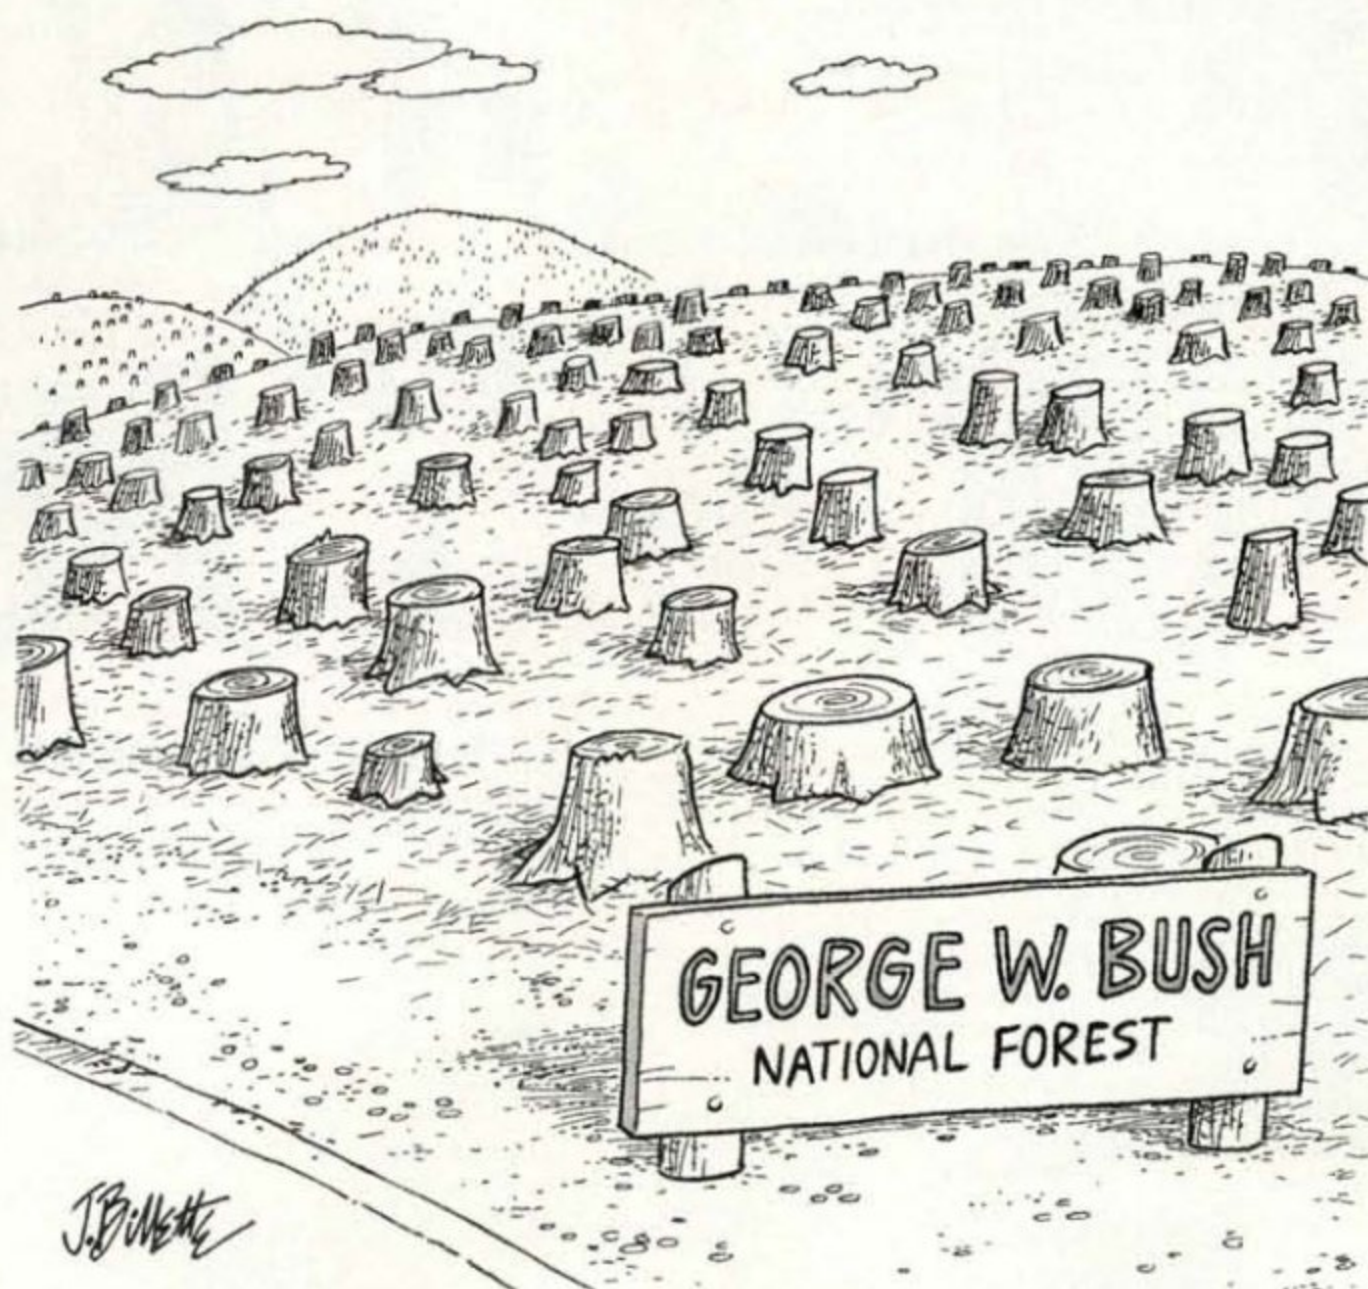

"Sir, no, sir."

"That's right; you're too much of a fucking pussy to do anything like that, aren't you?" The karate expert slapped me in the face. I saw stars, and tears welled up in my eyes. "How do you like that, Private Piece of Shit?"

The sadist pulled out a pair of scissors. "Take these, Private Guyer. Stick me, you fucking faggot."

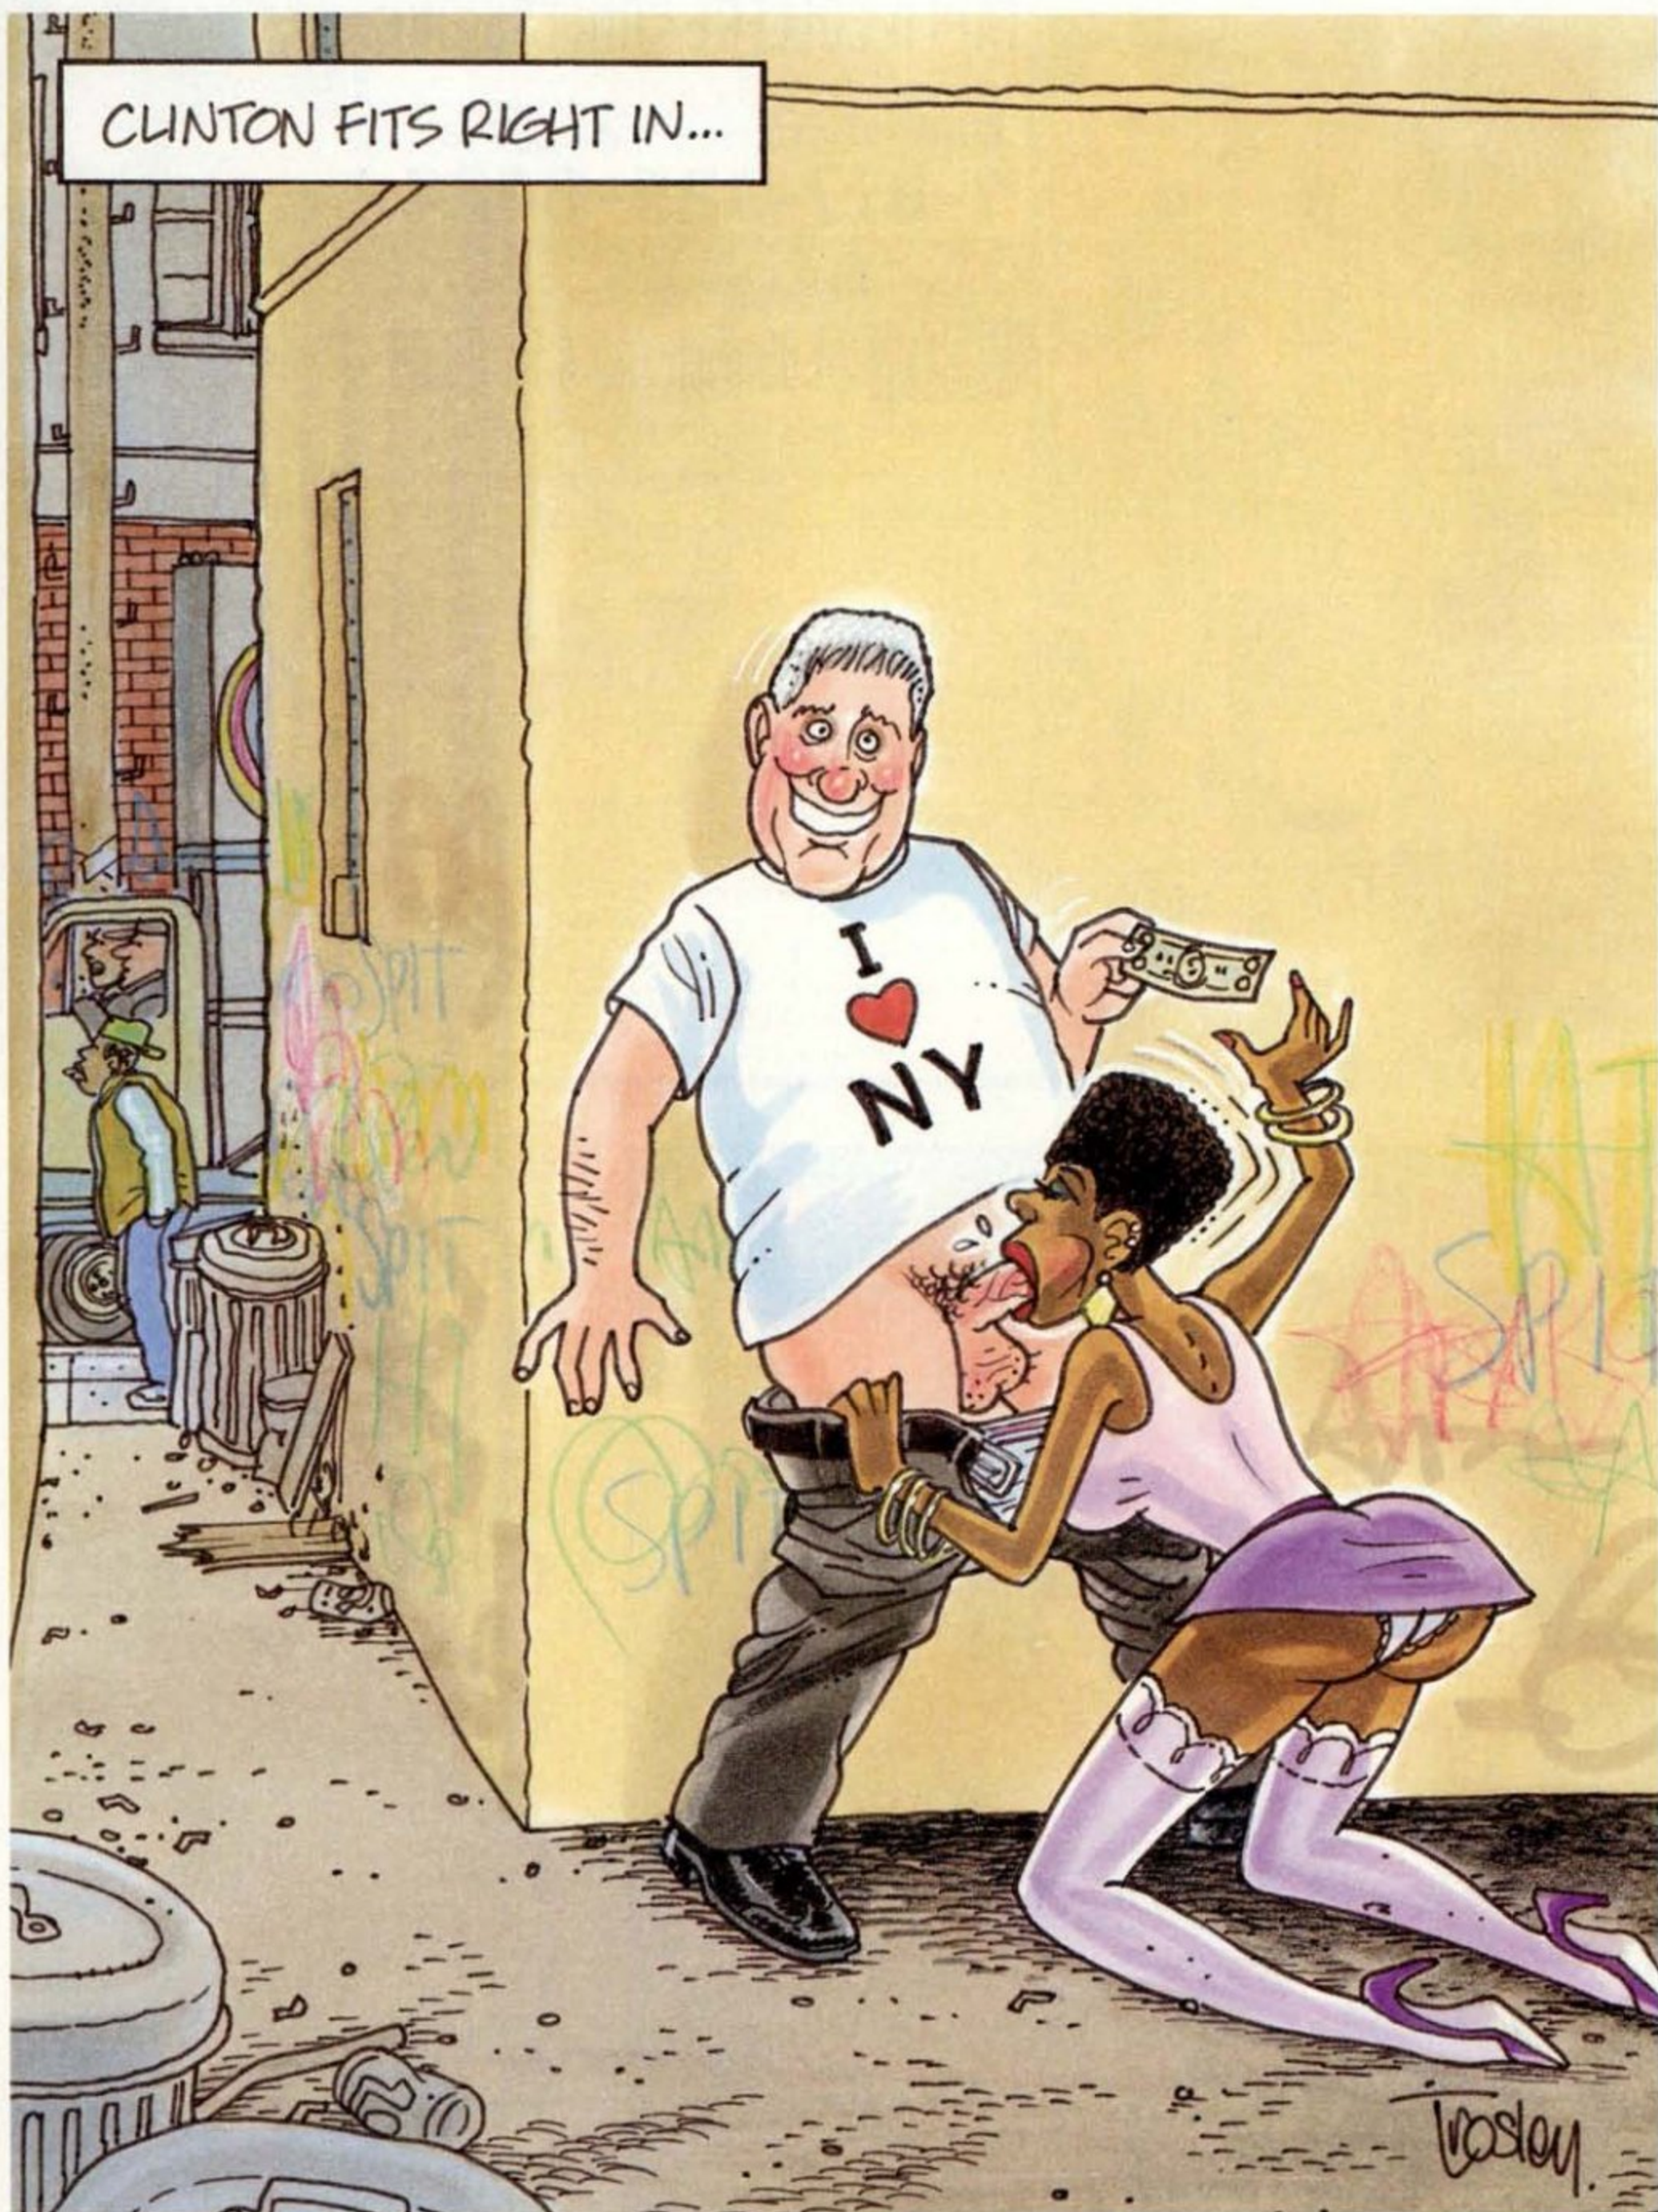

Sergeant Psychopath wanted me to grab the scissors so he could claim self-defense after killing me. I truly believed the homicidal maniac would have done just that. I refused, saying, "Sir, no, sir" over and over again. The vicious motherfucker slapped the shit out of me and punched me in the stomach. The air emptied from my lungs. I bent over, wanting to puke my guts up. I pleaded for him to stop as tears flowed down my pink face. I never took the scissors. Even at my age, I wasn't that stupid.

I was on the verge of suicide; I hated the Marines (continued on page 163)

# **67% of Women Say They're UNHAPPY With The Size Of Their Lover's Penis...**

Muscles, Money, and Looks help, but women want a "bigger" man.

*The Average Penis Size Is Just 6 Inches...  
But Who Wants To Be "Just Average"?*

## **Herbal Science Breakthrough!**

World-Famous Pharmacist Creates  
*Revolutionary* Herbal Pill That Is  
Guaranteed To Increase Your Penis  
Size By 1"... 2"... 3"... or more in just  
a few short weeks! (*with absolutely  
no adverse side-effects*)

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

### **You Don't Believe Me... Right?**

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

### **Let Me Explain How LONGitude Works... It'll Help Convince You...**

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

*(next page please...)*

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

**100% Natural & Safe  
LONGitude Will:**

**Here's What You Can Expect To Happen Taking LONGitude:**

- Week 1-3:** Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
- Week 4-8:** Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
- Week 9+:** Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

***- Strengthen and harden your erections like a length of STEEL PIPE!***

***- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.***

***- Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***

***- Intensify your orgasms.***

***- Achieve more powerful thrusting ability.***

***- Last as long as you want without drugs.***

***- Achieve ROCK HARD erections any time you want... your lover won't believe it!***

***- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.***

***- And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

**90% Of Men Have A 6" Penis...  
That's The Average Size  
LONGitude is made for men that  
are NOT HAPPY WITH  
AVERAGE!**

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

**Try LONGitude without risk...  
here's how:**

A One-Month supply of LONGitude (60 capsules) costs just \$59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

**You're Guaranteed To See An  
Increase Of ONE FULL INCH  
in 30-Days  
Or You Pay NOTHING!**

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

**How Can We Be So Generous?**

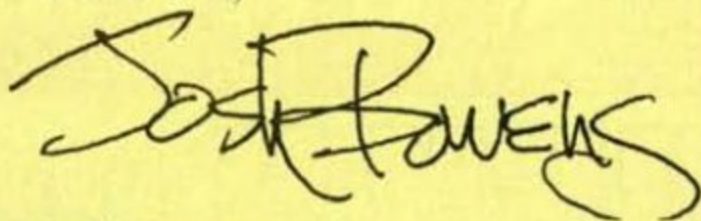

Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where we'll even refund your shipping cost... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. You decide.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,

Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface

area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better "equipped" than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a \$20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just \$39.95, plus shipping - that's \$20 OFF the retail price. Trust me- after a week on LONGitude you will not want to

live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

## Here's Some Of The Most Common Questions New Users Have:

### What Is LONGitude?

LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

### How Does LONGitude Work?

LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

### Are There Any Negative Side-Effects?

Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

### How Do I Take LONGitude?

Simply take 2 easy to swallow capsules every day.

### How Long Can I Expect My Penis To Get?

Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

### How Long Will It Take To Work?

LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

### How Long Should I Take LONGitude?

Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

### What Are The Ingredients of LONGitude?

LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginine, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. We receive thousands of letters & photos from satisfied customers. Here's what one of our customers said about the Dr. Bross Pumps...

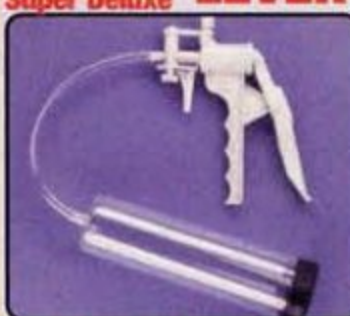

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new size. I am very happy but I am going to try for 11 or 12 inches. -C. # Private Asshole

(continued from page 118) so fucking much. Fortunately, I finally received some good news—my weekend furlough came through. I had two days to live large.

\* \* \*

On the way down to Long Beach, I hot-wired a black 1970 Corvette with a blood-red interior and a 454-c.i. engine. Saturday night, I hooked up with my friend Dave, a long-haired stoner/surfer type I grew up with. I had wheels, and he had some Thai stick that smelled godly; so we decided to throw a keg party. Maybe I'd catch a little pussy.

The scene was cranking. I had taken some Valium, smoked a boatload of pot, and was lit like a Christmas tree. Hot chicks were in abundance. At about one o'clock, David and I decided to make a beer run. The 'Vette fired to life and rumbled hard, the side-mounted mufflers shaking with power.

Two blocks later, my worst nightmare—a black-and-white—pulled up directly behind me. *Fucking shit.* The police were probably casing the party and watched us two idiots get into our car. I punched the accelerator; the RPMs shot up, and I tore through first and second gear.

"Fucking buckle up, Dave," I said, "because I have no intention of going to jail tonight." I crossed eight lanes of traffic, going 80, hit a dip and launched the Corvette a good foot-and-a-half off the ground. The car landed Hollywood-style, sending up a shower of sparks on impact. I checked my mirrors; the cops weren't in sight. I tore through a residential neighborhood and came sliding around a corner into a cul-de-sac. I locked the brakes; the 'Vette slid too far to the right and sideswiped a wall, leaving a fiberglass door-panel on the pavement. We skidded to a hard halt, stopping just short of smashing through a garage.

Still no cops. We jumped out of the car and ran wildly over fences and through backyards. Dave ran his own way; I went another. Finally, I heard sirens, then a police helicopter. I jumped a fence and ducked under a set of patio furniture. The helicopter was overhead. The rotor wash made the aluminum chairs around me dance on the pool deck.

I was seriously high, both from the party and the adrenaline, but I just wanted to go to sleep. The deck felt as comfortable as a warm bed. I closed my eyes.

I don't know how long I was out—maybe hours.

"Make one fucking move, and I'll blow your fucking head off!" I couldn't see shit, but the voice sounded like a cop's. A revolver was jammed against my forehead. I was rolled onto my stomach, cuffed, and kicked in the ribs. "Do you know how fucking lucky you are I don't just spray your brains out, right here?"

**I locked the brakes;

This definitely sounded like a cop.

After doing 120 days in county jail for my Corvette-related crimes, a chaser took me back to good ol' Pendleton. Restrictions against double jeopardy prevented the Marine Corps from punishing me further, but heads shook disapprovingly on the base.

Nothing had changed. I was the epit-

ome of a shithead, one of the biggest fuckups in the Marine Corps ever. Somehow, at the same time, I was still hoping to go home someday and be a normal kid. For the time being, I was restricted to the base.

One day, Staff Sergeant Jackoff told me to report to his office. He had an assignment for me: taking a prisoner to the brig, a four-story tower stacked with cells and a truly disgusting place.

I felt sorry for the fucking guys in there. Now I was going to be the chaser.

I followed Jackoff down a cell block packed full of men in cages. He stopped at a cell and unlocked the door.

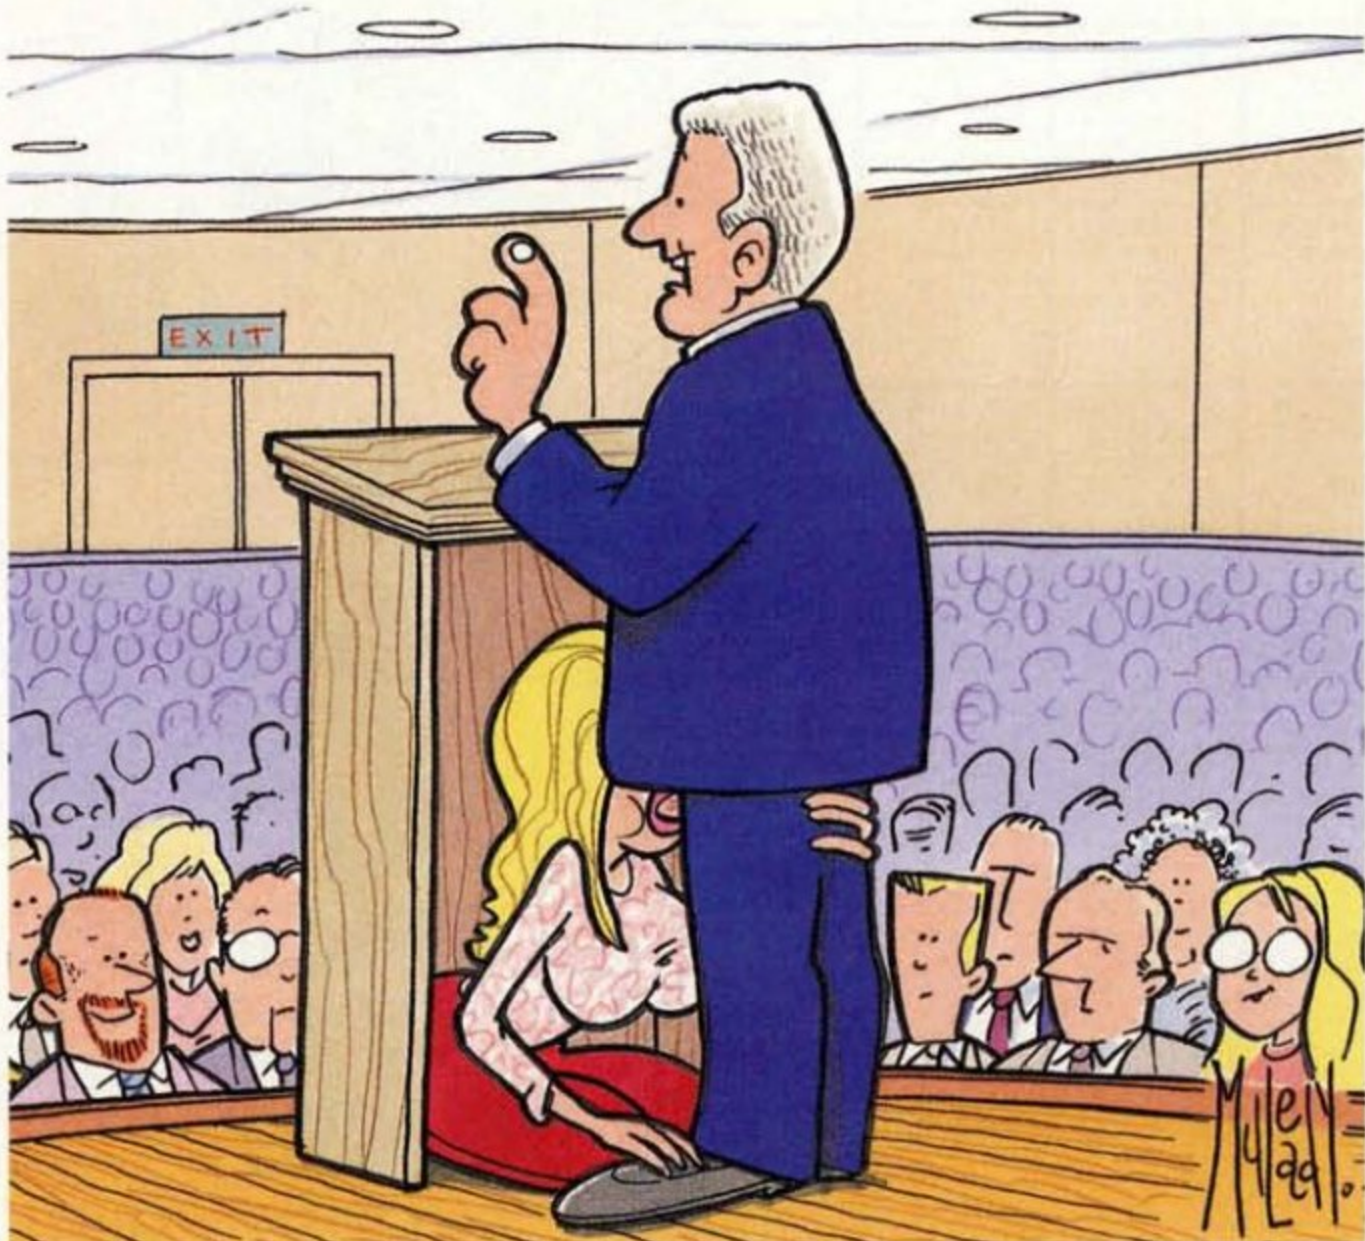

"He's over here," Sergeant Jackoff grunted, gesturing into the cage. I walked inside. The room was empty. Two hands shoved me from behind.

"Now get in, you worthless piece of shit," Jackoff said, slamming the gate shut. My stomach dropped like a rock; my knees felt weak.

"What the fuck is going on?" I demanded.

"You're busted, Private Asshole!" the sergeant said. "You're out of the Marine Corps, you piece of shit."

I was dishonorably discharged, after all. A pair of plainclothes detectives from the Long Beach Police Department came to the brig and took me into custody. I was hauled off to jail in handcuffs and booked.

"I can say, unequivocally, I did not receive money from Denise Rich to pardon her ex-husband."

(continued from page 48) like a hog, all sweaty and huffing, "Suckitbabysuckitbaby" while Gail's fake nails dug trenches in Buck's pasty ass cheeks. Gail's bottle-red hair was wild and huge; lipstick, slobber and pre-cum smeared her flustered, purple face. When the whore saw me, she tried to scream my name, but her mouth was full of penis; so "Keisha" came out like "Keefsch," which sounded an awful lot like "queef." Yes, fucking laugh riot. God, I HATE my sister.

Buck's prick flew out of Gail's mouth like it was spring-loaded—the asshole must have flown ten feet across the room. He bolted into the bathroom and locked the door like the pathetic coward he is. Gail just sat there gaping at me until I screamed, "GET YOUR FAT TITS OUT OF HERE!" She scuttled off like a roach; then I broke down the bathroom door and assaulted Buck with a hair dryer and electric toothbrush.

When I was done with him, Buck hobbled off with a wicked black eye and a limp dick shriveled between his legs. The door slammed his ass as I hollered that I never wanted to see him again. That should have taken care of Buck, but there's a problem: I keep seeing the shithead, and every time I see him, we wind up fucking like a couple of greasy pigs. I'm so *angry*. Why does this keep happening?

Last time really took the cake. Buck had the nerve to come knocking at my door.

"I left my rice cooker here," he sniveled. "I'm making enchiladas, and I need my rice cooker back."

I gave him his homo fucking kitchen appliance, but the rat bastard didn't leave.

"You look great, Keish," Buck croaked, his chump-fool Kanga hat shadowing his bloodshot eyes. "Nikki Cox hasn't got shit on you."

"Shut the fuck up," I snapped, but my clit was hard. Buck's right, you know; I am that hot.

"You miss your daddy?" Buck whined. He made me want to puke. Or maybe I just wanted to fuck his brains out.

"You disgust me," I spat. "You're an animal."

"Yeah, baby," Buck rasped, rubbing his crotch against me. His sausage was hard under his shiny track pants. I wanted to gag—specifically on Buck's groin gourd. I dropped to my knees and yanked Buck's slacks to his ankles, swallowing his nasty bone.

"You know how to do it," Buck cooed,

rocking his pelvis. "Nice and sloppy for your daddy."

Asswipe thinks he's so smooth, and he isn't. He's a *dork*.

"C'mon," I growled, hefting my skirt and slithering onto the floor, ass in the air. "Show me what you got."

Buck hawked a loogie onto my puss and rubbed the gunk into my slit, making lascivious slurping noises with his mouth: "Mmmllllmsslllppp." My box was pounding.

"Stick it in!" I screeched impatiently.

Buck crammed his piss pipe into my pie. A harsh "unghh" escaped my lungs. His fat, wet balls thwacked my labes with each thrust. I gritted my teeth and snarled.

"You can fuck harder than that, you fucking faggot!"

Buck's strokes intensified. My teeth rattled as he jackhammered my twat. My tits swung wildly, pummeling my torso. My ears rang.

"NOT GOOD ENOUGH!" I roared, ripping myself from Buck's prong and flipping him onto his back. With a primal howl, I climbed on top, clutched his greasy hair (that goddamned Kanga had fallen off) and pounded his pecker with all the fury in my bitter heart.

"Take! That! Bitch!"

"Ugh!" Buck wheezed. "Milk it, you miserable, ball-busting whore!"

I thrashed and moaned, clawing Buck's chest. I squeezed my pussy muscles like I wanted to strangle his prick to death. I was brutal. My insides boiled up as my groin tightened. I was about to explode.

"Watch the fuck out!"

My coochie busted and my whole body went haywire, arms flailing and chest heaving. I must have looked like Regan did in *The Exorcist*, when she grabbed the hypnotist's balls and her bone-white eyes rolled in her skull. Warm liquid oozed into my womb.

"Take my load!" Buck yelled.

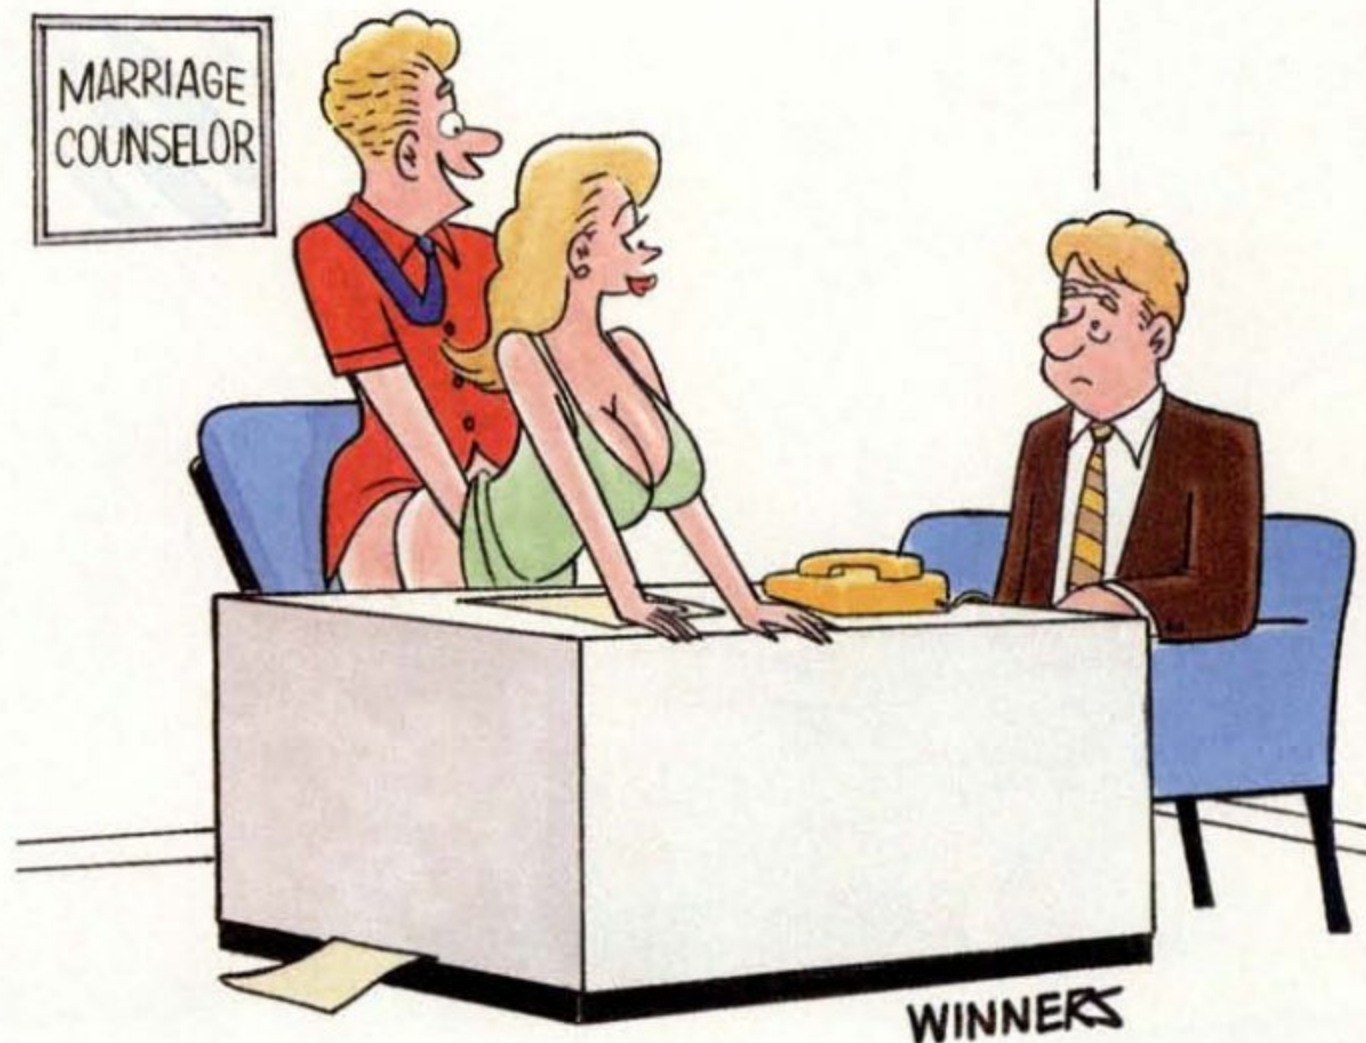

"Big deal," I panted sarcastically, collapsing on his chest, but it *was* a big deal. I loved fucking Buck Simon, and that was unacceptable.

See, it keeps going on like that. It's vicious. Buck and I "run into each other," I insult him, and we have hot grudge sex. It may sound like fun to you, but it's chipping away at my self-respect. Maybe I should just buy a vibrator and hide in the bathroom.

## SIZE DOES MATTER!

Research shows that over 65% of women are unsatisfied with the size of their lover's penis! You needn't be embarrassed. Now you can do something about it!

**WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!**

The male erection is produced when blood flows into the special bulbocavernosus muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be, too!

**THE SUPRA VALVE & ENHANCER PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!**

Getting a huge, fat erection is one thing... keeping it is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. And with the ENHANCER Prolong Ring, you can stay as hard as you want, for as long as you want. Our ring fits any size penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever, because the ENHANCER ring GIVES YOU COMPLETE CONTROL!

**SAFE & EFFECTIVE... INCREDIBLE VALUE... FOUR MODELS AVAILABLE!**

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe, and effective..." (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that's an international "Best Deal!"

## NUMBER ONE BESTSELLER WORLDWIDE!

A pump that creates its own energy source! This model is based on designs and engineering used in the aerospace industry. Just a few simple taps to the top of the pump and the spring-loaded piston action - along with our patented valve immediately activates the power source which in turn produces rapid vacuum and quick erections. It's the state-of-the-art pump and it's the original! For immediate results... get the E-Z VAC.

## **Squack** **to School**

Sex education comes easy in HUSTLER's September issue. A cock-starved blonde teaches a valuable lesson, demonstrating how hot whiz attracts a rigid prick. The back of a horse-drawn carriage inspires a voluptuous brunette to compose a dripping dissertation on self-love. Social studies are covered when a Nubian goddess tastes white meat and finds she can't have enough of the stuff cramming her holes. Two raunchy dykes conduct a home-economics experiment to see if their new couch resists girl-goo stains. The seeds of carnal knowledge cover the pages of the September 2001 HUSTLER.

## **Zoo Love** **Stories**

Banging dolphin pussy is like having a tunnel of tongues lick your schlong—at least according to one overly ardent zoophile. Bestiality has existed and been condemned for as long as man and beast have roamed the earth together. Recently, animal lovers have begun fighting their status as social pariahs and demanding equal rights. Equating themselves with other sexual minorities such as gays and lesbians, folks who espouse the delights of horse vaginas and dog fellatio have found strength in numbers on the Internet. In an untamed HUSTLER exposé, Features Editor Dan Kapelovitz looks at people for whom just fucking *like* an animal isn't enough.

## **Grab-Ass** **Junkies**

Subways and elevators are Shangri-la for perverts who love to grope and rub against women in closed spaces. The antics of grabby men on the Japanese subway system became so rampant that officials were forced to designate some cars as male-only. Still, victims of these public violations often don't realize they've been defiled until they find fresh businessman jizz on their coats, making this a largely unprosecutable offense. In September's feel-good *Sex Play*, Rico Robertson brushes up on the surreptitious thrills of frotteurism.

## **The Autumn** **Labes**

Dress down for the autumnal equinox with a new pair of Appalachian Drawers from the Bits & Pieces Boutique. *Erotic Entertainment* examines new documentaries about heartland swingers and applauds self-empowered blue-screen babes who start their own companies and produce their own movies. Naked nature girls spread wide for their global village neighbors in *Beaver Hunt*. Enjoy the glory of fall's pink colors in the September 2001 HUSTLER.
